Bearcats Picked Solid Favorites To Win Honors

By The Associated Press

Willamette's 103-62 victory over Lewis and Clark Saturday night established the Bearcats as a solid favorite to win the Northwest Conference Basketball Championship as they shared with Linfield last year.

The win only tied Willamette with previously unbeaten L&C for the league lead, but the impressive performance indicated that the veteran Bearcats have at last found themselves and will be rough the rest of the way.

The Pioneers, who had been regarded as the conference's top offensive team, never had a chance against their ratty, sharpshooting foes. Doug Logue, a senior center, turned in the finest game of his hoop career at Willamette with 30 points, the high individual conference mark of the season.

The Bearcats hit 42 field goals in 89 attempts for a 47.1 average. Other high Willamette scorers were Ted Loder with 15 points, Dick Mase with 15 and Lou Scrivens with 10.

Don Paulson's 14 was high for L & C.

Another Saturday night game, Pacific upset Linfield, 76-68, to prevent the 1951 co-champion from moving within one-half game of the leaders. As usual, Pacific's fine all-around athlete, Frankie Buckiewicz led the Badgers with 22 points, Linfield's Ted Mc Kee was high scorer, however, with 24.

Only two conference games are scheduled this week. Lewis and Clark has a chance to regain first place when it meets Linfield in a home-and-home series Friday and Saturday nights.

In a non-league game, Pacific clashes with Portland University Friday night in Portland.

Seyen-Games Scheduled By YMCA Leagues

A seven-game YMCA basketball slate is set for the High School League at the Junior High gym and the Adult League at Benson Grade School gym Tuesday night as follows:

Adult League — Sutherlin "Y" vs Montgomery Ward, 7 p.m.; J C Sporting Goods vs. Faith Lutheran, 8 p.m.; Luellan Construction vs. West Side, 9 p.m.

High School League — Sutherlin vs. Future Farmers, 7 p.m.; Winston vs. Christian Church, 7:45 p.m.; South Side vs. Hi-Y, 8:30 p.m.; Dillard vs. Methodist Church, 9:15 p.m.

Gorky Brothers Whip Opponents

The infamous duo of Soldat and Ivan Gorky teamed up Saturday night at the Roseburg armory to grapple Buck Weaver and Cowboy Carlson into submission in the Australian tag team mainer.

The bearded brothers got to work on Weaver first and the final plaudits went to Ivan, who bounced him off the turnbuckle, added a body slam and fell on him with a body press. A rejuvenated Weaver roared back to revenge the fall in a minute and a half of the second canto. He took the mustachioed Ivan to the cleaners in just time with a neck breaker.

The other two principals, Soldat and Cowboy Carlson, took the limelight in the third fall. Thirteen minutes after the match had been ended up, the imposing Siberian snarled the Cowboy with his famous wolf leap and wrapped up the match with a body press.

Prince Omar made his second appearance at the wrestling palace in two weeks, but didn't fare too well in the prelim against another new face on the local scene. He grabbed the first fall from Marcel "Frenchy" Quimet with a half Boston crab, but Quimet turned in a classy recovery by taking the second and third falls in succession. He tied up the count with an Iron Cross and then dropped the Prince spectacularly for the winning fall with a giant body swing and a bear hug.

5 College Teams Remain Unbeaten At Halfway Point

By The Associated Press

The whirlwind college basketball races slow down to a snail's pace this week—an annual situation caused by mid-year exams—but even so there are some games on tap that could decide the eventual conference winners.

The unbeaten at the traditional halfway point in the campaign are Kansas (13-0), Iowa (12-0), Illinois (11-0), Duquesne (11-0) and St. Bonaventure (10-0).

Iowa goes right at it Monday night against Indiana, a team that has come along fast in recent weeks.

Illinois does not have a league game this week. Kansas, the No. 1 team in the country in the Associated Press poll, faces a real rugged assignment against Kansas State Saturday night, and the result might determine the winner of the Big Seven.

Has Week Off

Duquesne has the week off and St. Bonaventure goes against Youngstown Saturday night.

The No. 3 team in the nation, Kentucky, should have no trouble in its only game this week, Monday night's set to against Georgia Tech.

In the Southern Conference, too, the undisputed leader, North Carolina State, can't get rid of the runner-up—west Virginia.

In the Missouri Valley there's a blow-down slated for Saturday and Sunday. It involves defending champion Oklahoma A&M and St. Louis, the fifth ranked team in the country.

Penn and Cornell are running one two in the Ivy League, while in the Southwest Conference, Texas as Christian with an overall record of 14-1, is riding along at the head of the class with a 4-0 mark.

An of three teams might grab off the Skyline title. Brigham Young is the leader with 3-0, but Utah 5-1 and Whoming are in the running. Washington is the undisputed king of the Pacific Coast Northern Division with 5-1, while California, which beat UCLA twice over the week-end took over in the south with 4-2.

Myrtle Creek And Sutherlin Win Cage Tilts

It was a happy weekend for Douglas County representatives in the Josephine-Douglas-Jackson Basketball League.

Myrtle Creek completed a sweep over southern invaders by dumping Crater High of Central Point Saturday, 56-48. The win gives the Vikings undisputed first place. Meanwhile, Sutherlin stalled to a 40-39 squeak win over Illinois Valley to move into third place.

Both games were nip-and-tuck thrillers. Myrtle Creek moved to a safer looking win only after unveiling a tight pressing man-to-man defense and invincible rebound strength in the second half. The Vikings led, 14-13, at the first quarter and, 43-43, in the third, but the score was tied at 26-all at halftime. The effects of their tough defense and rebound work didn't start to show until the fourth quarter. The Crater Comets were held to one field goal in the final canto and never even saw the backboard. After building up their eight-point lead, the Viks stalled out the final minute and a half. The captured 87 percent of the rebounds in the second half.

Don Gillespie did a one-man job of keeping the hosts in the game in the third quarter as he potted 14 of his 22 points for the game.

For Sutherlin, the going wasn't quite so sure. It was most doubtful when with 50 seconds in the game Sutherlin's one-point lead was threatened by John Wright. He was at the free throw line with two shots. Happily for the Bulldogs, he missed both and they grabbed the ball off the backboard and stalled out.

Illinois Valley took a 12-8 edge in the first quarter, but Sutherlin swung into a one-point lead by halftime. The Cougars jumped back in the pace position shortly after the half, 21-17, but the Bulldogs again reversed the trend to lead 34-30 by halftime.

Huskies, Idaho Take Over Lead In PCC Loop

The Washington Huskies, defending division and conference champion, bounced into first place over the week-end with 74-36 and 64-39 victories over Oregon, the former leader. Idaho moved into second place, a game behind the Huskies, by defeating Oregon State's Beavers 65-64 and 74-36.

The Beavers remain in the Palouse country for games Monday and Tuesday with Washington State needing a sweep to climb out of the cellar.

Washington State also will be host to Washington Friday and Saturday.

Washington completely outclassed Oregon in the games at Seattle last Friday and Saturday. Each night they bottled up Bob Peterson, the Ducks' rebound specialist. Peterson got only three points Saturday night.

The Huskies, meanwhile, were hitting the net from all angles. Frank Guiness, who connected on 11 straight free throws, led the winners with 17 points.

Idaho, the only team to whip Washington this year, was equally sharp from the floor in Saturday's game but was aided by Oregon State miscues. The Vandals got 32 of their points from 35 personal counted against the Beavers. Idaho Center Hartley Kruger led the scoring with 13 points.

California Nips UCLA, Enjoys Leading Spot

LOS ANGELES — Southern Division-Pacific Coast Conference basketball teams take time out for mid-term exams this week, and the amazing California Bears will have until Feb. 15, at least, to enjoy their position atop the standings.

Conference hostilities resume then, with the teams opening the second half of their campaign, fortified with a menu of inter-sectional contests starting Jan. 30.

California took the lead over the weekend by twice upsetting UCLA, 61-59 and 54-51, behind alert work off the backboards and heads up play by the second string.

Cal now has won 4 and lost 2 in league competition.

UCLA dropped into a second place tie with the peppery Trojans of Southern California, who knocked off Stanford twice, 63-58 and 75-64.

Don Rehfeldt of the Baltimore Bullets in the NBA set 19 individual scoring records at the University of Wisconsin.

Duke University's defensive line held the Wake Forest gliders to a minus three yards rushing in the second half of their recent game.

19-Year-Old Skier Boosts U. S. Chances In Olympics

By DON DOANE

BAD GASTEIN, Austria (AP) — The United States' hopes of winning a gold medal in the women's alpine competition at the winter Olympics in Oslo next month have been boosted by another top-flight performance by Mrs. Andrea Mead Lawrence.

The 19-year old Rutland, Vt. skier won the women's slalom race at the International Ski Festival here Sunday for the best showing made over the week-end by U.S. men and women skiers and Uncle Sam's speed skaters.

Mrs. Lawrence's victory, achieved with a total time of 1:43.3 for two runs down a tricky course winding through 38 gates, gave her a record of three firsts, one second and a third in five races against virtually the same field she'll face at Oslo next month.

And to add to the American's Olympic hopes, Jannette Burr of Seattle finished fifth yesterday. Miss Burr, 24, who shaded Mrs. Lawrence for first place in the combined Swiss championships last week, now has a record of one second, two thirds and two fifths in five races.

Since both American women are equally adept at the slalom and downhill races, which count in the Olympic combined standings, the U.S. has a good chance of winning their second gold medal. The first was won in 1948 by Gretchen Fraser, of Vancouver, Wash., the team's coach.

Rose And Brown Picked For Play In Shrine Game

Two Douglas county high school football players have been named to the State team in the annual High School Shrine game at Portland in early September.

Reedsport's lumbering Larry Rose was selected for the traveling squad as a backfield man, and Alan Brown, Drain's stellar quarterback was chosen as an alternate to replace unavailable backs, who were named to the varsity squad.

The announcement of selections was released in the Portland Oregonian and Journal Sunday. The selections were made on recommendations of the Oregon coaches, whose charges will be mentored by Grants Pass Coach Mel Ingram in the annual battle with the Port land all-stars.

Picked On Record

Reedsport's Larry Rose gained a position on the varsity State squad for his herculean work in Brave uniform in 1951. As a 190-pound senior, Rose racked up 1,366 yards in seven games to lead his squad to second place in the rugged District 2-A-2 Coast League. He rambled for 90 points.

Brown's selection is particularly noteworthy because he represents a "B" school. His intelligent quarterbacking and spot passing were major factors in bringing Drain the district "B" championship and a berth in the state playoffs. Few "B" school players are represented on the Shrine club squads and this probably explains his placement on the alternate rather than the varsity squad.

Three Mentors Attend Meeting

Three Roseburg High School athletic mentors attended the Southern Oregon Conference for A-1 and A-2 schools at Grants Pass Saturday.

Although results generally affect Coaches Hal Zurcher and Frank Purdy and Athletic Director Cece Sherwood laid preliminary groundwork for spring sports activities with the southern schools. On the definite list, a track meet was lined up for the Roseburg home oval with Grants Pass High and several baseball games were set. Tentatively, games were slated with Medford and Klamath Falls.

Another tentative possibility is the division of the Southern Oregon wrestling district into two sub-districts. One would include Roseburg, Medford and Grants Pass. The other would take in Klamath Falls, Bend, Redmond, Prineville and Burns. If this division is adopted, two men in each weight classification will represent the district at the state meet from each sub-district.

Sherman Howard of the New York grid Yanks earned football and track letters at the University of Iowa before switching to Nevada.

High School Wrestlers Go Into Action Tuesday

High School Wrestling gauged for the spectator is the keynote of the next inter-school card at Roseburg High School.

Coach Walt Johnson will test his theory that prep wrestling can draw a crowd by staging the Tuesday matches between Grants Pass and the Indians at night in the Roseburg gym. For a 50-cent fee, a wrestling fan can take approximately three hours of action which will include between 20 and 22 matches.

Wrestling starts at 7:30 p.m. against the squad that was defeated by state champion Klamath Falls by only five points. In one of Roseburg's two matches with the Pelicans this weekend, the Indians were only edged by two points.

GIVES UP GOLF

BAGUIO, P. I. (AP) — Francisco Jalon gave up golf after 30 years of fighting par. The 69-year old Jalon scored a hole-in-one on the 157-yard No. 2 at Camp John Hay course. He said that was perfection, and gave away his clubs.
