

A SMALL BEGINNING—Here's where the Mile of Dollars campaign got its start Saturday afternoon. City Manager W. A. Gilchrist, left, and County Judge Carl Hill stand ready with dollar bills while Charles V. Stanton, News-Review editor, attaches his to the monetary ribbon, being collected to fight polio. Bob McCarl looks on while Don Davis holds the first few dollars. The campaign, sponsored by the Junior Chamber of Commerce, was held on Roseburg city streets and sidewalks. (Picture by Paul Jenkins)

Britain's Thin Ration Further Pared By Order

LONDON (AP) — Another morsel of meat was whisked off the hard-pressed Briton's bare dinner plate Friday. Announcing that the present ration—19.8 cents worth a week per person—will sink to 16.32 cents, Food Minister Gwilym Lloyd George blamed lagging shipments from the Argentine and Australia. But he softened the blow slightly by upping the bacon ration from three ounces to four. That means each Briton will be entitled to about four razor-thin slices a week instead of three. Here's what the weekly ration will buy:

A chunk of low-grade stewing steak about the size of a baseball. Or a slightly bigger portion of low-grade scrag end of lamb for stewing. Or two small lamb chops.

Lookingglass

By HAZEL S. MARSH

Mr. and Mrs. Cliff Grasser and children left Tuesday for Centralia and Seattle, where they will visit relatives and transact business. During their absence, Mr. Grasser's brother, Lester, and C. M. Howard have charge of the Lookingglass Store.

Mrs. William B. Schnebly, assistant superintendent of the WCTU Children's Farm Home at Corvallis, was a week-end guest at the home of Mr. and Mrs. Arthur Marsh. Mrs. Schnebly will give an account of one day's activities at the Children's Home over the Farm Home program on KRNR, scheduled at 2:15 p.m. Saturday, Jan. 19.

The Good Health Club, recently organized at the Lookingglass School under the leadership of Mrs. Kathryn Cory, held its first meeting Wednesday afternoon at the schoolhouse. A report on cleanliness was given by Larry Swift and a report on the eyes by James Welty. Officers chosen include: Ila Jean Batsch, president; Sharon K. Childress, secretary and Billy Gilbert, news reporter. Ruby Ann Vance led a parliamentary drill.

The local Home Extension Unit met Tuesday at the home of Mrs. Arthur Marsh with Miss Betty Paterson present to lead the discussion on "Window Treatments." Miss Paterson displayed a collection of sample curtain materials and called attention to the suitability and effects produced. How to treat the problem window with various types was also discussed. Mrs. Daisy Fox of Winston, chairman of the legislative group of the County Home Extension Committee, attended. An offering to further the cause of the Associated Country Women of the World was taken. Miss Paterson emphasized the program of this group and its benefits.

Mrs. W. J. Meredith spent the latter part of last week in Portland attending to the property of her aunt, Mrs. Mattie Shiels, who died recently.

The publicity committee of the youth group, under the leadership of Mrs. J. C. Williams, is arranging for posters announcing the special meetings to be held at the local church beginning Feb. 3. The Rev. Joe Brill will be the evangelist in charge.

More Money For Loans To Vets Gets 1st OK

WASHINGTON (AP) — A House subcommittee Monday approved a bill to make another 125 million dollars available to veterans during the next year for loans on new homes and farms.

The measure now goes to the Veterans' Affairs committee which will decide whether to submit it to the House. Approval of the bill is considered likely.

"God Bless America" Wins Duel With Red

WITH US 7th DIVISION, Korea — A Communist soldier in a frontline bunker barely 20 yards from American positions hurled insults at his foes, but was effectively hushed. Infantrymen of Company F, 32nd Buccaneer Regiment, were engaged in barber shop harmony—more volume than quality. The Red interrupted: "You guys can't sing!" Cpl. Felix Fratto of Salt Lake City, hollered back "You couldn't do any better." The Red then did a near professional job with "Tennessee Waltz."

EVER DREAM OF SPENDING A MILLION DOLLARS?

Then consider this:

If you had started on January 1 in the year 1236—two hundred fifty-six years before Columbus discovered America—and spent ONE MILLION DOLLARS EVERY DAY throughout that year...

...and if you had continued to spend ONE MILLION DOLLARS EVERY DAY of every year in the 716 years that have elapsed since that time...

...it would still take you until May 8, 1953, to spend as much money as the U. S. Government has collected in taxes since World War II ended.

That's what the 262 billion tax dollars—which your Federal Government has collected and spent in the period from August, 1945, to January, 1952—amounts to.

That's why \$1.00 out of every \$5.00 you've earned in the last 6 1/2 years has gone for Federal taxes.*

That's why \$1.00 out of every \$4.00 you'll earn this year is earmarked for Federal taxes.*

*This is in addition to the State, County and Local taxes you pay—including your State gasoline tax.
