"A LEADER IN THE CHURCH, A MAN OF GOD—AND A REGULAR GUY." This is a quote from the Topeka Daily Capital, when the Reverend Lynn Hodges, formerly of Roseburg, and now minister of the Community Baptist Church, Topeka, Kansas, was acclaimed the Jaycee "Young Man of the Year." Rev. Mr. Hodges, 29 years of age, married and father of three children received this distinguished award for his outstanding work during the flood of last July. He is also the founder of the Way of Life Foundation, a non-profit counseling agency, and is the conductor of a daily series of "Way of Life" radio broadcasts heard Monday thru Saturday from 6:45 to 7:00 a.m. These broadcasts are heard through four Kansas stations, KRNR, and a shortwave station in Ecuador, South America. If you've never heard this broadcast, make it a point to tune in one morning. We'll guarantee you'll tune in again. It's just like having a good friend call for a chat every morning with breakfast.

By the time you read this, it will be old news, but we'll just note right here, as I write this (Monday afternoon) Johnnie Ray is in the studio with Bob McCari chatting away like mad over the Almanac. Quite a bit thinner than he was last time he was in Roseburg, he's still the same Johnnie. His head hasn't swelled a particle. It was a scoop for KRNR when he brought up a record he had cut that had never before been aired. Matter of fact, it isn't released, yet. Best of luck to you, Johnnie. Your philosophy is sound.

HOW GREEN WAS OUR ANDY... Andy gets a lesson in golf course diplomacy during tonight's "Hardy Family" broadcast. In order to butter a prospective client for his "Super Spray," Andy goes to golf so that the merchant will beat him. However, the outcome turns out to be quite different than Andy expected. That's tonight at 8:30.

TOMORROW, on the regular P. T.A. program at 3:45 p.m., Cece Sherwood, athletic director at Roseburg HI, and several of the coaches will talk over the over-all program of physical education in the high school. You might enjoy some "droppings" on their conversation.

SPORTS TIP from Bob Grant... coming up Thursday night at 10:30 will be a ski interview, of interest to all skiers in this area. On the program will be Allan Knudtson; George Korn, operator of the Wilmette Pass Ski-Bowl on Highway 38, out of Oakridge; Jack Smith; Bill Cummins of the Forestry Dept.; Dolph James of KORE, Eugene; and Bob Grant, KRNR. For a half-hour you will hear them discuss skiing and pointing up interesting things about skiing in this area.

way to learn anything is to teach it." Tired of Masquerade Demara, who concedes he "always wanted short cuts," previously passed himself off as various noted scholars, attended educational conclaves, was a deputy sheriff, American soldier and sailor and twice a hospital orderly. Demara used the name and credentials of Dr. Joseph C. Cyr, of Grand Falls, New Brunswick, to get his surgeon's commission, much as he had used academic records of others in his other phony roles. Newspaper accounts of his spectacularly successful operations on wounded Korean soldiers led to discovery of the fraud last November, and the Canadian Navy brought him home and quietly discharged him.

Thieves Get Fortune In Gems From Auto WASHINGTON — Thieves made off with more than \$33,000 worth of jewels belonging to 23-year-old Jean Kennedy Sunday night. It was the third time in six years that jewel thieves got away with loot belonging to a daughter of Joseph P. Kennedy, former U.S. Ambassador to Britain. Miss Kennedy told police the jewels, insured for \$33,975, were taken from a Cadillac convertible belonging to her brother, Robert. She said she had planned to leave Sunday night for Chicago,

Surgeon Noted For Skill Tires Of Phony Life

NEW YORK — A bright young man, who never finished high school but who won acclaims as a skilled surgeon, is trying to decide what to do next.

"Being an impostor is a tough habit to break," he says.

Despite his lack of schooling, Ferdinand Waldo Demara, Jr., 30, has posed successfully as a doctor of philosophy, an eminent zoologist, and has been, among other things, a college psychology professor and trappist monk.

As a one-time psychology professor at St. Martin's College, in Lacy, Wash., Demara said "I just kept ahead of the class. The best
