NARCOTICS FOUND IN MAGAZINES - Customs Agent Myron Kahn (left) and Collector of Customs Paul R. Leake at San Francisco, examine cutout center of one of several magazines in which 60 ounces of illegal heroin was found. IRON CRACKS DOWN ON ALIEN CULTURE SPOTS
TEHRAN, Iran (AP) - A U.S. embassy spokesman said Thursday Iran has ordered immediate shutdown of all American State Department information and education centers here except the one in Tehran.

The order also applied to British and Russian cultural centers outside the capital, it was reported.

The Iranian action was based on a 1949 decree permitting foreign cultural activities only in Tehran. The decree had not been enforced, however.
