What can you do that hasn't been done to my hair yet?

The Newschart above shows why most big cities, and quite a few of the small ones, in the U. S. are suffering from "traffic-itis." Since the end of World War II, more vehicles have been added to the road than during the 20 previous years. The 52 million vehicles registered today are nearly double the number in 1930—and the auto population keeps growing by 5,000,000 a year. Data are from U. S. Bureau of Public Roads.

Lions Of Riddle Visit Roseburg Club Thursday

Twelve of the 23 members of the Riddle Lions Club visited the Roseburg Lions at their regular meeting Thursday night, and took home with them the zone Leo Lion trophy. This is a traveling trophy that may be captured by any club showing up with 50 percent of its membership.

Those attending were zone Chairman Don Clark, Clyde Cockrell, H. A. Paetz, Lyman F. Worth, Francis Lynn, Charlie Land, Les Hickman, Bill Calhoun, Henry Townsend, Chester Cook, M. E. Agee and Rudolph Paetz. Tentative plans were made for a joint meeting of Roseburg and Riddle Lions Feb. 20 at Ford's north of Canyonville. Definite plans will be announced later.
