

13 CENTS DOWN???

I just can't understand why any up-and-coming Oregon farmer with an eight by eight lot or 800 acres of farm can let any of it go idle this spring when he can get started farming so easy when he buys a used tractor and equipment from GRANT EQUIPMENT COMPANY.

Now honestly, folks, please don't tell the BOSS—But with a lineup of used tractors like you see here, if there ever was a time when your old Webfoot Farm Boy would make a deal, it's now.
