Walcott Fight Talks Will Be Resumed Later

MIAMI, Fla. (AP) — Talks concerning Jersey Joe Walcott's next heavyweight championship fight have been suspended pending the titleholder's arrival here next week.

Jim Norris, president of the International Boxing Club, which has a contract for Walcott to fight former Champion Ezzard Charles, has been conferring with Felix Boechicchio, Walcott's manager, this week but both said Thursday they would not hold any further discussions until Walcott arrives.

Medford Shooter Tied In Amateur Trapshoot

RENO (AP) — Winner of the Class A 16-yard event of the Amateur Trapshooters Association mid-winter meet will be decided Friday between two entrants who scored perfect 100s.

Dick Skeeters, Medford, Ore., and Arnold Riegger, Seattle, agreed Thursday to let the score in the four-day meet settle the tie. A four-way shootout in the first handicap event went to D. G. Davis of Coulee City, Wash. He beat out Dr. R. D. Hoard, Paramount, Cal.; Tom Clemow, Jackson, Mont.; and Clyde Fox, Merrill, Ore., after all had shot 97X100.

In Class B 16-yard competition, Everett Armstrong, Eugene, Ore., outscored Carl Forsberg, Longview, Wash., and Howard Kaster, Greeley, Colo., after a tie necessitated a shootout.

Eugene Schmidt, Milwaukie, topped Class C with 98.

Rex Layne Defeated By Boston Fighter

BOSTON (AP) — Rex Layne, Salt Lake City heavyweight attempting a fist comeback at the tender age of 23, Friday was convinced he had made a false start.

After being rudely checked last year by Rocky Marciano and ex-titlist Ezzard Charles, Layne took a long layoff and resumed action two weeks ago.

He warmed up by knocking out Bob Garner of Lexington, Ky., in three rounds in Salt Lake City, and then accepted an offer to tangle with Willie James of Boston, another comparative unknown, here Thursday night.

James, who had only 18 previous professional engagements, had little trouble gaining a unanimous 10-round decision over the wild-swinging and wide-open Layne, who was pudgy at 199 pounds. James, a full head taller, weighed only 5 3/4 pounds more.

During the '51 season, four National Leaguers took part in all their team's games—Gil Hodges, Carl Furillo, Earl Torgeson and Richie Ashburn.

Grace DeMoss Defeated In Palm Beach Tourney

PALM BEACH, Fla. (AP) — Four survivors in the field of 98 players teed off Friday in semi-finals of the 28th annual women's golf championship of Palm Beach.

Claire Doan, former Doherty women's champion from Cleveland, O., plays Edean Anderson of Helena, Mont., and Pat Garner of Midland, Tex., meets Marry Ann Downey of Baltimore in 18-hole matches.

Miss Doran won over Medalist Grace DeMoss of Corvallis, Ore., 5 and 4, Thursday in her second match of the day. Miss Anderson defeated Bee McSwane of Birmingham, Ala., 3 and 2.

Miss Downey eliminated Evelyn Odom of Miami, 1-up, and Miss Garner won over Marjorie Lindsay of Decatur, Ill., 3 and 2.

Boy Scouts Date Busy Weekend

Local Boy Scouts are going to be busy this weekend.

In addition to observing Scout Week, Feb. 6-12, they will be celebrating the 42nd anniversary of scouting in America.

This afternoon at 4, local Scouts will congregate at the Indian theater to rededicate themselves to Scouting activity during 1952. A discussion of scout affairs will be held, and a scout affairs picture will be shown.

Then on Saturday morning, the boys take over city and county government. Around noon a uniform inspection of Troop 133 will be held in front of the Roseburg J. C. Penney store.

Throughout the day, uniformed scouts will roam Roseburg streets, and from 1 until 3 p.m. they will present displays in local store windows.

Sunday, the uniformed scouts will turn out for church. The ministers have been asked to speak on scouting activities.

Many units in the area are having father and son banquets and parent nights. Most Cub Packs are holding blue and gold banquets.

Evangelists Open Meeting Series At First Christian Church Here

Medford Jones and Dorothy Keister, evangelists, began a series of evangelistic meetings at the First Christian Church Tuesday. The services will continue through the Feb. 24. The Rev. Mr. Jones is

the speaker, and Miss Keister is the singing evangelist.

The Rev. Mr. Jones has attended Northwest Christian College, University of Oregon and Butler School of Religion, and has earned the B. Th., M.S. and B. D. degrees with residence completed for the Th. M.

Miss Keister was reared in the historic First Church of Lock Haven, Penna. She attended Lock Haven State Teachers College and the graduate school of religion of Butler University, where she earned the B.D. in church history and the M.S. in religious education.

It has been estimated that the loss from worthless checks runs as high as \$300 million annually.

PLAN your lighting
for ease in writing

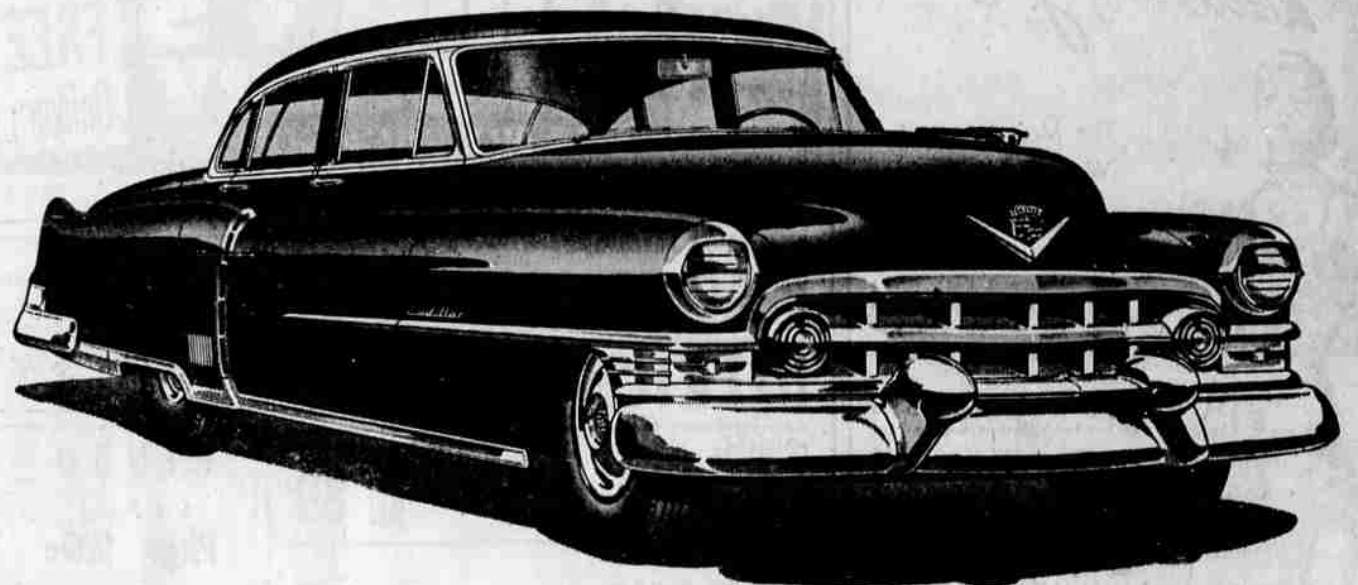

Send for our booklet — "Eyes — Our Windows to the World." It's a complete story on light as it affects our seeing. It's free, of course.

Your eyes work hard when you write. Protect them with light so that they can see easily and accurately. Be sure you have enough light of the right kind in the right place. Avoid dim lighting and harsh shadows in your seeing tasks. Have your lighting PLANNED by lighting experts so you won't have to guess.

...WITH THE FINEST PERFORMANCE OF ALL TIME!

Featuring 3 of Cadillac's Greatest Engineering Achievements!

THE NEW 190 H. P. CADILLAC ENGINE

Here is the most powerful, the most durable, and the most efficient automotive engine ever offered in a Cadillac car. Its power increase alone is almost 20%—and its new four-throated carburetor, larger exhaust valves, wider exhaust ports and new dual exhaust system make this engine one of the most dynamic performers of all time.

Fifty years ago, the first Cadillac car made its bow to the public. Today, as a fitting climax to those fifty years of progress, we are presenting in our showrooms the Golden Anniversary Cadillac—by far the finest car ever to bear this distinguished name. . . . It is easily the most beautiful of all Cadillacs. Numerous changes have sharpened and smartened the exterior design—while the wholly-new interiors are a revelation in comfort and luxury. . . . Performance is the finest of all time. The great Cadillac engine has a power increase of almost twenty per cent—and is even smoother and quieter in its operation. . . . There's a new Hydra-Matic Drive that gives the proper power application for every need. At a flick of the finger, you can have extra power and acceleration for city traffic and mountain driving—or wonderfully smooth, quiet, gas-saving performance for the open road. . . . And there's a new "power steering" mechanism, optional at extra cost, which reduces normal steering effort by as much as seventy-five per cent! . . . If ever it could be said of a car's performance that it is "out of this world," it can be said of the performance of the new Cadillac. The Golden Anniversary Cadillac is available in three series—the "Sixty-Two," the "Sixty Special" and the "Seventy-Five." . . . These new creations are now on display in our showrooms—and we invite you to see and inspect them at your earliest convenience.

THE NEW HYDRA-MATIC DRIVE

By introducing an entirely new performance range, Cadillac's Hydra-Matic provides the proper power for every need. . . . extra acceleration and responsiveness for city and mountain driving; smooth, quiet, gas-saving performance for the open road. Optional at extra cost on Series 75. Standard equipment on all other models.

THE NEW CADILLAC POWER STEERING

This "power steering" mechanism eliminates as much as seventy-five per cent of all normal steering effort. It provides incredible handling ease, and yet does not interfere in any way with the driver's "road feel" or directional control. Available as an option at extra cost.
