Question And Answer Holdup Technique

PHILADELPHIA — Richard Brudner was getting home in the wee hours of the morning.
In front of his house he noticed his brother's car. Sitting in the driver's seat was an unfamiliar figure.
—What are you doing in that car? he asked.
—Just waiting for somebody like you to come along. Hand it over," was the answer.
He told police the man took his wallet containing \$10 and a wrist-watch before running off.

WHY MOTHERS GET GRAY

NEW HAMPSHIRE

Here's the set-up on New Hampshire's presidential preference primary.

1. Closed primary, voters must declare party preference and vote accordingly.
2. Voters indicate their preference for presidential nominee.
3. Party delegates must support candidate to whom they are pledged, as long as candidate is before convention.

NEW HAMPSHIRE PRIMARY SETUP—The eyes of the nation will be focused on New Hampshire, scene of 1952's first presidential primary. Newschart, above, shows major Democratic and GOP candidates trying to win their parties' delegates to national nominating conventions this summer. Although New Hampshire is not politically important, with only four electoral votes, it will be the first test of General Eisenhower's voter appeal against Senator Taft's. The primary holds similar significance for the Democrats. It will give the country an estimate of President Truman's popularity and it could end Senator Kefauver's presidential aspirations should he be soundly defeated.

"HUP-TWO'S" ARE COMING; LOOK OUT BELOW! — Six new-type HUP-2 helicopters are turned over to the Navy at Philadelphia by the Piasecki Co., builders. The 'copters, especially designed to carry submarine-detection equipment, will soon be in service with new Navy squadrons that will concentrate on techniques of anti-submarine warfare.
