Swimming Pool At Camp Tye Lions' Project

In order to study at first hand the various improvements contemplated.

Preceding the meeting, a pot-luck dinner was served. Those attending were the host and hostess, Mr. and Mrs. Paul B. Hult of Dillard, Mr. and Mrs. Hugh Whipple of Drain, and Mr. and Mrs. Claude Baker, Mr. and Mrs. Morris Bowker, Mr. and Mrs. Thomas Pargetter, Mr. and Mrs. Dean Ross, Miss Helen Falbe and Miss Patricia Mayo.

A new swimming pool will be available at Camp Tye, if plans now underway are carried through. The permanent camp committee of the Camp Fire Girls Association, at a meeting at the Paul Hult home in Dillard, discussed plans being readied for the swimming pool. It had been disclosed at an earlier meeting by Charles Collins, a member of the committee, that a natural depression had been found adjacent to the camp which, by construction of a small dam, could be made into a smooth walled, shale rock swimming pool.

It was decided at that meeting that the Drain Lions Club would be asked to undertake construction of this dam. At Sunday's meeting, Hugh Whipple, a committee member, reported that the Drain club had acted favorably on the matter, and as soon as the Umpqua River is low enough, construction will be started.

Discussion followed as to proper chemicals for algae control and disinfecting. Claude Baker, county sanitarian, was asked to report at the next meeting on proper measures to insure healthful swimming.

The new pool will be close enough to the river level so that it will be a comparatively simple matter to have an almost constant flow of fresh water going into the pool at the upper end and still, because of the length and shape of the pool, it should be warmed considerably at the lower end.

Type and size of pump and water pipe, new showers, a cook's kitchen and other matters were discussed.

It was announced that considerable progress was being made by the Roseburg Lions Club in its project of building the new counselors' cabin and completion is anticipated in the very near future.

Miss Patricia Mayo, permanent chairman, led the discussion. The meeting was adjourned with her announcement that the next meeting, in March, will be held at Camp
