CAN YOU CHOOSE THE BEST DIAMOND?

WIN A DIAMOND RING

A FREE DIAMOND RING will be given to the person who most correctly places diamonds in Knudtson's contest. Other prizes will be given to those who can choose the best diamond from a group of five.

HERE IS ALL YOU DO:

In Knudtson's window the night of spring opening will be placed a placard displaying two groups of five diamond rings. To the first ten persons who choose the finest diamond ring in either of the two groups, Knudtson's will give a free A. T. Cross Automatic Pencil. To the first person who can choose the finest diamond from both groups, Knudtson's will give a free \$15.00 gift certificate. The Grand Prize of a \$75.00 diamond dinner ring will go to the person who most correctly arranges all ten diamonds according to value.

Entry blanks will be placed in front of Knudtson's window. Simply fill out blank and turn it in at store. Clerks will note time on blanks. Contest is very difficult so if you come late your chance of winning is just as good as that of persons who come earlier.

Knudtson's have sponsored this contest to show dramatically that it is extremely difficult to compare diamond values simply by size alone. Knudtson's invite anyone interested to come in and ask to be shown the factors that affect diamond values. With the aid of the diamondscope, an instrument designed especially for examining diamonds, Knudtson's can show you so that you may see for yourself, the factors that affect the values of the diamonds shown during the contest.

Ask for FREE Informative Booklet: DIAMONDS. If you have a friend who is planning to buy a diamond request one for him. You may be doing him a favor.
