**Four Boxing Squads  
Are Tied For First**

SACRAMENTO, Calif. (AP) — Four teams—Gonzaga, Idaho, San Jose State and Washington State are tied for first place as the Pacific Coast Intercollegiate Boxing Championships enter the second round Friday. Each team earned four points.

Seventeen bouts are scheduled Friday night and the 10 finals Saturday. Individual champs get a trip to the NCAA meet and a chance to try for the Olympic squad.

**Favored Fives  
Take Drubbing**

DENVER (AP) — The U. S. Air Force All Stars, a scrappy band of tireless hustlers, and Hollywood's take-it-easy Fibbers knocked out top-rated Oakland, Calif., and Defending Champion San Francisco Thursday night in the National Amateur Athletic Union basketball quarterfinals.

The flyers, running rings around the rangy Oakland Atlas-Pacific Engineers, battled through an overtime period to post their 40-34 victory.

Hollywood's Fibber McGee and Molly team, reverting to old-style slow-down ball control basketball, stalled San Francisco's fast breaking Chevrolet, 43-41.

Bartlesville, Okla., Phillips 66ers, drawing a lead on their eighth AAU championship in 10 years, breezed by the Artesia, N.M. Rea Travelers, 70-52.

Peoria, Ill., Caterpillar Diesels flashed by the Warrensburg, Mo., Riggles Plaza Bowl, 66-43.

Friday night's semifinals match Hollywood and Peoria and Phillips and the Air Force.

The quarterfinal winners qualified for the playoff later this month in Kansas City and New York City to select the Olympic team that will compete at Helsinki, Finland, this summer. They will be matched against collegiate teams qualifying from the NCAA, NAIB and NIT tournaments. Phillips was the 1948 Olympic champion.

**Mrs. J. A. Page  
In Golfer's Way**

PINEHURST, N. C. (AP) — Mrs. Julius A. Page Jr., of Chapel Hill, N. C., the last player to win three successive North and South Golf tournaments, Friday stood in the path of Pat O'Sullivan of Orange, Conn., who hopes to turn the trick too.

Miss O'Sullivan hurdled one major obstacle in Thursday's second round when she outlasted Mae Murray, Rutland, Vt., 1 up, in a 20-hole thriller.

Mrs. Page did not have to extend herself as she trounced Sonia Wise, York, Pa., 7 and 5.

The O'Sullivan-Page winner will move to a semi-final match Saturday against Friday's MaryLena Faulk-Mrs. H. S. Covington survivor.

Miss Faulk, the medalist, was not extended in her 5 and 4 second round decision over Mary Patton Janssen of Charlottesville, Va.

Mrs. Covington, finalist nine years ago stopped Pat Garner of Midland, Tex., 2 and 1.

In the lower bracket it was Mary Agnes Wall, Menominee, Mich., against Grace DeMoss, Corvallis, Ore., and Ida McDowell, Camden, S. C. against Barbara Romack, Sacramento, Calif.

Miss DeMoss, like Misses O'Sullivan and Murray, a Curtis cup team member, had the day's best front nine, a one-under 36, and romped over Edean Anderson, Helena, Mont., 7 and 6.

**Don Williams Will Fight**

NEW YORK (AP) — Don Williams, a choir-singing welterweight boxer from Worcester, Mass., would like to buy a house. He figures the quickest way to pay for one is to beat Gil Turner in Madison Square Garden Friday night.

No one has whipped Turner yet and the betting professionals don't think lanky Don will be able to turn the trick either. The 21-year Philadelphia Negro has been made a 2 to 1 favorite to win the ten rounder for his 30th straight victory.

Copenhagen — Joergen Johansen, Denmark, and Tommy McGovern, Great Britain, drew, 15. (Johansen retains European light weight title).

**Weather Delays Work  
On Proposed Track**

The weather is holding up any new developments on the proposed Roseburg auto racing oval, but at least 16 cars are being readied for action if the new track is installed.

Approximately 16 cars of the torrid variety are being built or readied for action in the Roseburg area, according to Leroy Palmer, president of the local racing association. Meanwhile, the present club members are making a concentrated effort to get every interested person to join up, including new drivers. The date of the next meeting will be announced soon. It is expected to be next week.

**Rainers Get Boyd  
From Chicago Sox**

PALM SPRINGS, Calif. (AP) — The Chicago White Sox Thursday optioned First Baseman Bob Boyd to the Seattle Rainiers for the 1952 Pacific Coast League baseball season.

General Manager Earl Sheely said Boyd is one of the seven players Seattle is slated to receive for pitchers Mary Grissom and Harold Brown, sold to the Sox last fall.

Boyd hit .342 and batted in 64 runs in 145 games for Sacramento last year. Sheely said he will be a big help to the Rainiers who were defeated 8-3 by the Pittsburgh Pirates' "B" team in an exhibition game Thursday.

Chet Noe, Oregon's rapidly improving center will be a valuable addition to the track team. He has put the shot more than 50 feet.

**Fish Casualty  
Rate At Turbines,  
Dams Faces Test**

SEATTLE (AP) — Washington State Fisheries Department biologists are ready to launch a research project that may have far-reaching importance in the Northwest's salmon vs. dams dispute.

It will be a closely supervised experiment to determine what kind of casualty rate fish suffer in going over dams or through turbines.

The scene will be the Elwha River at the north end of the Olympic Peninsula. More than 500,000 fingerlings and

yearling salmon of four species have been assembled at the state's Dungeness Hatchery. They will be planted, under varying conditions, above two Elwha dams during the next two months.

The project plans calls for some fish to be sent directly over the dam spillway. Others will be sent directly into turbine channels. Others will be left to choose between the two hazardous routes. They will be tagged before being released.

The lower dam is only a 100-foot. The other, seven miles upstream, is 200 feet high.

Fisheries Department workers will catch as many as possible at the foot of each dam. They will be

examined for injuries. Some cripples will be kept for a while to determine the mortality rate from injuries.

The species in the experiment are sockeyes, silvers and spring and fall chinooks.

**Go by these Plain Hard Facts  
...and SAVE!** They show why a Chevrolet Truck costs you less to own and operate

**RUGGED  
and right  
for the job!**

(Continuation of standard equipment and trim illustrated is dependent on availability of material.)

**Fact No. 1**

Saves you money on purchase

Payload pound for payload pound, a Chevrolet truck lists for less. Here's an immediate, cash-in-the-bank saving that Chevrolet offers.

**Fact No. 2**

Cuts operating costs

A Chevrolet truck works for rock-bottom "wages" on fuel and upkeep. You get the proved savings of Valve-in-Head, and many other features.

**Fact No. 3**

The right truck for your job

Chevrolet trucks are factory matched to the job — tires, axles, frame, springs, engine, transmission, brakes. You get the truck you need.

**Fact No. 4**

Saves by lower depreciation

Chevrolet trucks traditionally bring more money on the used truck market — and that can mean more money for you when you trade or sell.

Just about two and a half million users of Chevrolet trucks are proving you can't buy a better truck to save your money.

You save when you buy. You save on operation and upkeep. You save on getting the job done fast and right. You save when you trade.

Come on in and let's talk over your hauling or delivery needs, and then take a look at the kind of truck you want on your job.
