SPRUNG FEVER
 Yep, the BOSS sees he thinks all the
 springs in my head, sure's shoutin'
 must've sprung when he looked at this
 big bit-up of USED TRACTORS. Now
 the idea, folks—those few days of sun-
 shine kinda got me. I was under the
 impression spring had really arrived.
 So I was really a wheelin' and a deal-
 in'. Then the rains came. Even
 snowed a little. So, if you want a real
 deal on a better, USED TRACTOR,
 quit puttin' it off 'an' come on over.

JOHN DEERE TRACTOR, MODEL D,
 on good rubber. This tractor was trad-
 ed in on a NEW FERGUSON SYSTEM
 TRACTOR by a farmer over near
 Monroe. It has enough power to pull
 24 plows all day long and into the
 night, too. You can really get your
 spring crop in in a hurry with this
 tractor.

ALLIS CHALMERS MODEL B. This
 little tractor was traded in by a dairy-
 man up Fall Creek. If you want a real
 savings on a one-blow tractor, quit
 your stallin' around and come on over.

1947 MASSEY-HARRIS MODEL 101.
 This big powerful tractor will pull
 14 plows clear on into next week. It
 has a good motor, good tires, and a
 long life ahead. Price, way below OPS
 cellar price. You'll never buy it a
 cittern there in your neckin' chair. Get
 up and come on over.

CASE TRACTOR on steel. Motor in
 extra good condition. This tractor was
 traded in by a pioneer family down
 east of Oakland on a NEW FERGUSON
 "20". The farm has been in the
 family for almost 100 years, but the
 former owner of the CASE absolutely
 denies that the CASE has been a farm-
 in' that long. But anyway, it's a good
 CASE so if you want a real deal, buy
 a 2-14 plow to roll along, come on
 over.

INTERNATIONAL W-30 TRACTOR on
 steel. Runs good at a low price.

FARMALL F-35. On steel at a steal.
 Somebody better come on over and
 check a little on this, so they don't
 know somebody's been a readin' these
 ads.

1947 1 TON STUDEBAKER truck, stock
 rack, 4 speed trans., good rubber,
 ready worth the money.

1949 FORD TRACTOR. This tractor
 was traded in by a farmer over near
 Alvadore on a POWERFUL NEW
 FERGUSON "30". If you want a
 good FORD, here's your chance. Re-
 conditioned and guaranteed.

MINNEAPOLIS-MOLINE MODEL RTS,
 self-starter, good tires. For the price
 KOSIN KEN has put on it, this is
 probably the best buy on the lot. This
 tractor was traded in by a mint grow-
 er over Jeffersonville on a NEW
 FERGUSON "20". Honest-to-goodness,
 folks, here's a buy.

1948 FERGUSON TRACTOR, FAMOUS
 CONTINENTAL VALVE - IN - HEAD
 MOTOR. This tractor was traded in
 by a hay farmer over south of Albany
 on a NEW FERGUSON "20". If you
 want to buy a good USED FERGUSON,
 you can't just sit there and
 dream about it—let's go. Reconditioned
 and guaranteed.

1947 FORD FERGUSON TRACTOR with
 a SHERMAN STEP-UP TRANSMIS-
 SION. This little FORD FERGUSON
 TRACTOR was traded in by a mint
 grower over near Tahbot on a NEW
 FERGUSON "20". (Now this up-an-
 comin' young mint grower has THREE
 BIG, POWERFUL FERGUSON
 "20".)

AGRICAT. This is really a little crawler
 garden tractor that you can use. It
 won't do a big job as a 4000 job
 would, but the kind of a job it does
 do, it does it real well. If you want
 to buy a crawler, this is not a cat—it's
 a kitten.

1937 FORD 1/2 ton pickup, flatbed and
 stakes. Good tires, motor exchange,
 and new transmission. 1940. In
 by an up and coming young Douglas
 County Farmer, out Oakland way.

We still have the woods full of tagalong,
 pull-type 2-14 and 1-16 plows. The
 BOYS and I can't eat 'em but I
 sure wish some of you folks would
 hurry on over and buy 'em before
 the BOSS crams 'em down my
 throat.

Remember, it's one-third down and long,
 low bank terms on the balance when
 you buy at GRANT EQUIPMENT COM-
 PANY.
