

Maybe it
was Your
Blood that
Saved Me..

... OR WAS IT? I'm back in the States because some kind hearted person here donated a pint of his blood when the bloodmobile visited his town. Was that pint of blood that I used from Roseburg? We'll never know. The important part is that it was in Korea when I needed it most. You will never know how much a small pint of blood can mean to a man fighting for his life. It is the most wonderful sight that you can see. A pint of blood just looks like a bottle hung by a strap from a rifle sticking in the ground and a long tube running from that bottle to an arm. A bottle, a rifle, a tube are just that but the contents of that jar means life to a wounded man. Don't deny a fighting man his chance to come back to the land of the living. Go to the bloodmobile Friday and give a pint of blood! It will save a man's life, maybe your own son's.

It doesn't take long to give a pint of blood. Just phone 3-3255 or 3-6184 today for an appointment Friday. Then go to the Elk's Temple Friday, April 18 and give your own blood to a fighting man in Korea. Make your blood donation. It is so little to give here in Roseburg but it is so much to receive in Korea. Make an appointment to give — today!
