R. Roberts Graduates From Dodge Training

Rex R. Roberts of Roseburg was graduated April 18 from the Dodge School of Transmissioneering and awarded a certificate of proficiency signed by J. E. Otis Jr., president of the Dodge Manufacturing Corporation and Vinton B. Yardey, director of the school. Roberts is employed by the Industrial Supply Company, Roseburg, as manager.

This recognition follows his success in passing examinations in

specialized subjects technical theory, application and operation of mechanical power transmission machinery manufactured by Dodge.

The advanced, intensive course is offered in Milwaukee, Ind., only to qualified engineers who have had substantial experience in the field of industrial equipment.

ARTHRITIS SUFFERERS

Mr. Casey: I suffered with arthritis for about 3 years and had to use crutches and could not use my hands. A friend recommended Casey's Compound to me. I purchased a bottle and took it to my doctor. He stated that the remedies in the compound were good. After using 3 bottles, I began to see some improvement. I have used 7 bottles and do not need the crutches and am able to do my work and knit again. I am pleased to recommend the Compound to anyone suffering with Arthritis or Rheumatism.

Yours truly,
Mrs. Carrie Withers
