IT DOESN'T TAKE THE family doctor to spot one of the most noticeable symptoms of Spring Fever wanderlust! For this is the time of year when families get a yen to spend weekends in the country, and everybody starts talking and thinking about the most wonderful weeks of the year—vacation time. And if you're open to suggestion, tune in DREAMERS HOLIDAY tonight at 6:30. Each Tuesday and Thursday evenings you will be taken on a mythical vacation trip. Rates, accommodations, location, dining facilities, etc. will be given. In short, all those little details that make a vacation more enjoyable, can be ironed out before you leave your doorstep.

While on the subject of travel tips, we might pass these along to you. They were given to us by Miss Cora Smith, MBS actress on "Nick Carter," and "True Detective Mysteries," who is a veteran traveler. Travel light, is her first piece of advice. You will be tempted to pack extras, but a few basic items like an unwrinklable suit, nylon blouse and lingerie, a pair of comfortable walking shoes and one or two ensembles for evening wear are all that are really necessary. Packing your suitcases won't be difficult either, if you plan carefully and make a list of clothing and supplies you'll need.

Once this has been done, it's quite simple to gather everything quickly. Small jars and bottles are fine for packing cosmetics, but screw the tops down tightly! Tissue paper is another handy item. It's a good way to prevent wrinkles in your clothes. Lay the paper over each dress, then fold the garment over the paper so that the tissue is in each fold of the dress. If you plan on vacationing very long, traveler's checks are the solution to carrying a large sum of money, which can be dangerous.

THE NATIONWIDE interest in the 1952 pre-election skirmishes, has had its repercussions abroad. Mutual Don Lee correspondent, Norman Michie, in a recent report from the British capital, said, "Prime Minister Churchill doesn't seem able to break into the news here and abroad as much as he used to. He's just as active. But the answer seems to be that the English and the rest of the world are watching the battles of the Republicans and the Democrats very closely. Those battles are getting the World's interest."

Oregon Convict Flees Wood Cutting Camp

SALEM — La Verl Fred Bowles, 24, escaped Wednesday morning from a state penitentiary wood cutting crew working near Jefferson, 15 miles south of here.

Prison Warden Virgil O'Malley said Bowles was working under a gun guard, but ran off into the woods.

Bowles was received at the prison a year ago from Lincoln County to serve five years for burglary.

In 1947 Bob Feller of the Cleveland Indians was the only 20-game winner in the American League.
