**TOASTMISTRESS CLUB HAS RECENT MEETING**

Marilyn West, in her maiden speech to the Toastmistress Club meeting April 30, reviewed a book that had been banned in Boston, "The Life of Marilyn West." The clever chapter titles of this book held the attention of the members throughout the speech.

Mrs. Celia Day, president, opened the meeting and Mrs. Walter Fisher gave the invocation. A business meeting preceded the program of the evening.

Mrs. Burhl Gilpin was topic mistress for the meeting. Each member was asked to give two minute speech on her hobby. Hobbies included singing around the house, reading and collecting book covers and investigating dedications in the front of the book. Folk dancing, gardening, skiing, crocheting, sewing and golfing were some of the other hobbies. Mrs. Burhl Gilpin concluded with an unusual hobby which consisted of carrying out a holiday or special day in the menu, May Day, she made May baskets from dillies and cupcake liners filled with Bavarian jello.

Five members attended the north west regional conference and speech contest at Salem April 26 and 27. These members reported to the group on the proceedings.

Mrs. Ina Patter, who coached Mrs. Roosevelt on speaking, talked to the conference. Mrs. Patter stressed the fact that Toastmistress Club is not a service club but a study group to train leaders to serve in the community. Toastmistress is a club to help members with their individual problems. If members find it hard to carry on a conversation, practice workshops can be set up for such problems. Mrs. Patter suggested each member keep a notebook for quotations, ideas, poetry that she could refer to when making a k i n g impromptu speeches.

The conference at Salem was well attended by approximately 300 people from Idaho, Montana and Canada. Mrs. Walter Fisher, Mrs. Labrie Ritchie, Mrs. George Hunter, Mrs. Thomas Patty and Mrs. Celia Day attended the two days and had charge of the breakfast Sunday morning, April 27. Those attending were enthused and inspired by what other Toastmistresses could do and the future for the Roseburg Toastmistresses.

Critic for the evening was Mrs. C. E. Reese and evaluator was Mrs. Roy Stein. Mrs. Walter Barker was timekeeper.

Guests for the evening were Mrs. Bert Young, Mrs. Albert DeVoe, Mrs. Warren Demytt and Mrs. Elston Bratter.

Mrs. George Bacher has been confined to her home this week with laryngitis.

Standard's, daylight prevails Winston. "It's like running a hotel," housewives complain. The school board has voted to go on daylight in order for Junior to keep pace with Big Brother's high school hours. But in many cases Pop remains on standard—mostly because the Boss prefers Standard. So Mom's on both shifts and generally ends up arriving for an appointment, either an hour too early—or an hour too late. Then why not consult the telephone operator, one such harassed homemaker was asked. "I did," she replied, "and she told me it was 9 o'clock at the sound of the gong." But I couldn't recall whether I should be an hour ahead or a behind."

Ladies of the Winston-Dillard area, interested in organizing a toastmistress club, are invited to attend the initial meeting to be held Tuesday evening, May 6, at the home of Mrs. Henry Trobaugh in Dillard. The next meeting of the Winston-Dillard Home Extension unit is scheduled for May 21 at the Winston Community Hall. The all-day meeting will be devoted to a demonstration on "Dry Cleaning," in charge of Miss Betty Jane Pater-son, county home demonstration agent. A pot-luck luncheon will be

served at the noon hour. Members are urged to attend as election of officers will be conducted on this date.

A May Day celebration was held at the Winston Community Hall May 1, for members of the Community Club and their invited guests. A social hour followed the serving of a pot-luck supper.

The next meeting is slated for Thursday evening, May 15, at which time the annual election of officers will take place. Refreshments in charge of a special committee will be served at the close of the business session.

Mrs. A. R. Gill and daughter, Mrs. Carl Borgaas; and Mrs. A. G. McGuire, motored to Eugene last week where they shopped and attended to business.

In answer to the many inquiries as to when the polls will open for the primary election to be held May 16, the county clerk's office has announced that the hour, 8 a.m., as given on posted notices refers to standard time.

Polling place for the Civil Bend precinct, comprising Winston and Breakway, is the Winston-Dillard water office.

**The Most Precious Mother's Day Gifts Are FREE**

We once knew a rising young business man who gave his wife a wonderful mother's Day present: breakfast in bed and the firm, fatherly care of the youngsters all day.

We once knew a little girl who determined she'd give her mummy a scrumptious gift: she learned a poem.

Then there were the three married daughters who arrived at Mother's bright and early on Her Day and cleaned the house from top to bottom. One of them even darned grandpop's socks.

A busy executive found he wasn't too busy to write his mother a ten-page letter, telling her everything he'd been doing.

A teen-age youngster swept out the garage, cut the grass, put up the screens and finished in a blaze of glory by making his own room really ship-shape.

Another family took Mother on a picnic, and for once they let her pick out the spot where she wanted to stop.

John flew home for a visit. Mary called from California. And these were the best presents ever!

All of which proves you don't have to deal with us to celebrate Mother's Day; you have to deal with yourself.
