**"Miracle Drug" say SURIN Users**  
Pains of Arthritis, Rheumatism, Neuritis, Lumbago, Bursitis... Relief Can Start in Minutes

There's no internal dazing with SURIN. Nothing to swallow and wait anxiously for relief. You simply apply SURIN right at the point of pain and blessed relief starts as penetration beneath the skin gets under way. Of course there's a reason for this wonder-working new external fast pain relief medicine. It's methacholine, a recent chemical horn of research in a great laboratory. It acts speedily to aid penetration of SURIN's pain-quelling ingredients. Methacholine also causes deeper, longer-lasting pain relief and increased speed-up of local blood supply.

Tested on chronic rheumatism in large university hospital it brought fast relief to 75% patients and in home-for-the-aged 77%. Totally different from old-fashioned rubs and liniments, modern SURIN brings faster relief—longer without burning or blistering—without unpleasant odor or grease. Simply smooth on SURIN at the point of pain and feel pain ease in minutes. Money-back at your drug store if SURIN doesn't relieve muscle pain faster and better than anything you've ever used. A generous jar costs \$1.25. SURIN is not a cure for any of these conditions. McKeown & Robbins, Inc., Bridgeport 3, Conn.
