

# Mother Knows... The Best

Yes, Mother knows the best! She always shops Nielsen's because it is so easy to shop in a store designed for easier shopping and she loves the savings that she finds on every item. She likes our colorful displays of country fresh vegetables and the filled cases of succulent meats. Mother is wise... she

has no parking worries at Nielsen's and she knows that she saves time here. She knows that she can get the best for less and thus stretch her budget to the maximum to give each and every one of us those little extras that we love her for. Do like Mother does... shop Nielsen's everytime and save!
