**No Necessity For Steel Grab, High Court Told**

WASHINGTON (AP)—President Truman's seizure of the steel industry was attacked in the Supreme Court Monday as a "usurpation" of power impelled by no necessity, and defended as an act vital to the national security.

**Gas Use Breaks Strike In Prison**

ANGOLA, La. (AP)—A gas attack on 120 convicts broke a four-day hunger strike at Camp H of the state penitentiary here Monday.

Supt. D. D. Bazer, who led some 25 prison foremen and convict guards into the camp dining room to seize 25 ringleaders, said, "the strike is broken."

Bazer, who had previously ignored the strike, said he led the march on the dining hall after he received appeals from some "innocent sufferers" in the camp, including some elderly men who were feeling the effects of meager food.

The white convicts in the camp which houses first offenders went on strike five days ago protesting long working hours in the prison's sugar cane fields. Bazer had let them sit idle until Monday.

**Umpqua Sailor On Navy Leave Visiting Parents**

By JULIA OSBORN  
John Edward Browne, MM3, son of Mr. and Mrs. E. M. Phelps, arrived on Sunday, May 4, for a week's visit. He came from San Diego, off the destroyer, USS Orlick, which is scheduled to sail for Korea the last of May. This is John's third trip to the Korean war zone. With him on this visit are two of his buddies.

Mrs. S. R. Mode entertained Mr. and Mrs. David Burgess and small daughter of Sutherland, and Mr. and Mrs. Bill Pemberton of Los Angeles at dinner Sunday. The Pembertons are David's parents, and Mrs. Mode is the mother of Mrs. Burgess.

The local Boy Scouts, Troop 121, are planning to visit the Edenbower troop next Tuesday evening. Because the Edenbower troop is on daylight saving and the Umpqua scouts are not, the former have set their meeting an hour late that evening. Troop 121 is to meet at the Grange Hall promptly at 7:30, and Scout Master Amerson warns them to be on time.

Those who attended the Umpqua School Association's final meeting, May 2, at the Coles Valley Community Hall enjoyed a movie based on the life of Alexander Graham Bell. The picture, which was provided through the courtesy of the Umpqua Dairy, was shown by Calvin Baird. After the show and the brief business meeting, refreshments were served by an all-man committee.

The ladies of the Calapooia Club, who served over 150 people, Saturday evening, are happy about the financial success of the venture.

**Wife Of Candidate Ex-Roseburg Resident**  
Mrs. Frank E. Fowler, whose husband is running for delegate-at-large to the Republican national convention, is the former Peg Conlee, who resided in Roseburg for many years. She attended Roseburg High School, attended Oregon State College from here, and later was employed for several years as secretary to the law firm of Rice & Orcutt. Subsequently she removed to Portland, where she received her law degree and engaged in the practice of law until her marriage in 1948 to Dr. Fowler of Astoria.

The ancient world made extensive use of a mixture of gold and silver which was called electrum.
