Boy Scout Camporee Set For Saturday, Sunday

The Boy Scout Camporee will be held this weekend at Singleton Park. George Foster, general chairman, emphasized the fact the location has been changed from the Rod and Gun Club grounds.

Troops will check in between 1 and 3 p.m. Saturday. The checking station will be at the bridge above the park, and the boys must be prepared to hike into the camp site.

Judges are asked to be on hand to start judging immediately. The affair will continue through Saturday, with a big camp fire Saturday night, and resume Sunday.

Visitation by the public is urged. Suggested as the best time is between 4 and 6 p.m. Saturday, but any time is all right, said Foster.

Adams Says Eisenhower Best Security Of U.S.

senhower victory and the result of thinking people who looked over the slate of candidates and came to a conclusion—a conclusion I think you'll share in the next few days."

Military Status Defended

Answering the question of the effect of a military man in the White House, Governor Adams cited 11 presidents with military background, beginning with George Washington. He said the list should be sufficient to indicate there is ample precedent for a military man to become a successful president.

"Eisenhower did not campaign in New Hampshire," Adams said. "He will not campaign in Oregon. He is over there standing between you and the weapons of the Soviet. He is watching the Soviet submarine which threatens our coast with guided missiles, and the Soviet planes waiting to cross Canada to drop atom bombs on our homes."

Preceding the mass meeting, Governor and Mrs. Adams were honored at a reception at the Roseburg Woman's Club building.

Robert Stults, chairman of the Roseburg Eisenhower for President Committee, presented Mayor Albert Flegel, who, in introducing the governor, told of seeing General Eisenhower in Germany during World War II.

Flegel, then a sergeant, was leaving headquarters when the general and his party drove up. Eisenhower greeted the sergeant, placed him at ease and chatted briefly, Flegel said.

"I thought then he was a swell guy and I'll always think so," said Roseburg's mayor.

Introducing the governor, Mayor Flegel mentioned that Adams was in his second term, and that previously he had served as representative in Congress from New Hampshire; that he had spent a number of years in the timber industry prior to entering politics.

Governor Adams spoke his appreciation of welcome that had been given him in Roseburg, and expressed gratitude for the hospitality shown in Oregon. He demonstrated that his ability is not confined to oratory, as he sang, to the tune of Danny Dever, a political parody composed by a friend. He confessed he had been leader of his college glee club.

Mrs. Adams and State Republican Central Committeeman Ralph Cake and Mrs. Cake were introduced, after which County Central Committeeman H. O. Pargeter, State Senator Thomas Parkinson, and State Representative and Mrs. Paul Geddes, and Mrs. Flegel were presented.

Dorothy Johansen Succumbs Here

Mrs. Richard E. (Dorothy F.) Johansen, 38, 1530 Beacon Way, died early today after a long illness. She was born Dec. 4, 1913, in Tillamook, and came to Roseburg when a small girl. She attended the Roseburg schools and was a graduate of the Roseburg High School. She was a member of the North Roseburg Evangelical United Brethren Church.

Surviving are her husband, Richard E. Roseburg; a son, James, Roseburg; a daughter, Janice, Roseburg; five brothers: Joe Gladwill, Alameda; George Gladwill, Culver, Ore.; Howard and Robert Gladwill, both of Roseburg; five sisters, Mrs. Orville (Ruth) Langenberg, Phoenix; Mrs. Zon (Mabel) Martin, St. Paul, Ore.; Mrs. G. R. (Alice) Hain, Mesa, Ariz.; Mrs. Lewis (Marcella) Wallace, Salem, and Mrs. Ernest (Ruby) Barker, Roseburg.

Funeral services will be held in The Chapel of The Roses, Roseburg Funeral Home, Monday, May 19, at 2 p.m. with the Rev. E. Clark Robb officiating. Interment will follow in the Masonic Cemetery.

Oregon Primary Vote Expected To Be Record

(Continued from Page One)

Kefauver, Stevenson in particular is expected to get quite a few votes, however.

The Taft-Eisenhower duel for Republican presidential nomination votes tilted toward the Ohio senator Thursday, with delegate-seating contests looming as a possibly decisive factor.

Sen. Taft apparently picked up 15 more delegate votes in Tuesday's West Virginia primary.

The other one apparently went to Gen. Eisenhower.

Thus the Associated Press tally of delegate strength now shows: Taft 364, Eisenhower 304. The tabulation is based on known and avowed alignments of delegates.

Nomination requires 604 votes and, in a close fight at the GOP convention in Chicago, a few votes—say 75—could mean the difference between nomination and disaster.

All or part of delegations with 75 votes are involved in disputes over rights to be seated at the July 7 convention.

Clean-Up Announced—There will be a clean-up day Saturday, May 17, at Coles Valley cemetery in preparation for Memorial Day, May 30. A picnic lunch will be served at noon.

Libel Charge Jails Ken Morgan Of Drain

pared before the grand jury as a witness as did County Assessor Dixon, under whom Gile worked. Morgan also appeared before the grand jury in connection with the case.

The grand jury returned a true bill Wednesday afternoon.

Davis said Morgan's charge against Gile involved the alleged appraisal of a "non-existent" house. The district attorney termed the charge, "false and scandalous."

Defeated For Office

Morgan's writings appeared as paid political advertisements in the Drain Enterprise during a 1950 political campaign. He opposed Leonard as a write-in candidate for justice of the peace at Drain. Morgan was defeated.

When the paper stopped publishing the advertisements, however, Morgan turned to distributing his own publication, Davis said.

Some of the later publications were directed at the effort to recall Leonard. Morgan recently filed preliminary papers for the circulation of the recall petitions.

Gile resigned his position with the county and is now with the secretary of state's office in Salem. Davis said Morgan had been distributing his publications by mail to various persons. Morgan report-

Woman On Mend From Traffic Crash Injuries

Mrs. Ada Rogers, 1832 Ellen street, was recovering today at Community Hospital from an injury to the chest wall and cut knees suffered earlier this week in a two-car collision on Pacific Highway at the intersection with the old highway south of Roseburg.

Mrs. Rogers' husband, Ellis James Rogers, driver of the car, was uninjured in the accident. Driver of the other car was Gilbert J. Shankey of Roseburg, who suffered chest and face injuries. He was released from the hospital Tuesday.

According to State Police, the Rogers car came out from the side road and struck the Shankey car on the front bumper. Both autos were badly damaged.

future. "There will be no more forcible screening."

American authorities quickly stated: Prisoners have been killed only in riots instigated by the Communist prisoners themselves; prisoners have been treated humanely; and there never has been "forcible screening" to determine whether prisoners want to go back to Red rule.

The Colson agreement also provided for prisoner committees.

CHIEF FORESTER NAMED

WASHINGTON (AP)—Lawrence F. Cook has been named chief forester of the National Park Service. Cook, assistant chief forester since 1937, succeeds John D. Coffman, who is retiring May 31.

OFFICES TO CLOSE

All offices in the Courthouse with the exception of the county clerk's office and the sheriff's office will be closed Friday during elections, it was announced today.

The clerk's office will remain open to handle election work, and sheriff's deputies will still be on duty.

TILLER WOMAN DIES

GEORGE W. HALL
Editor Myrtle Point Herald, Myrtle Point, Oregon
Candidate for
Delegate to Republican National Convention

Fourth Congressional District

REPUBLICANS: 1952 IS OUR LAST CHANCE to rescue our country from the depredations of socialist "deals" and return this nation to the principles of Constitutional Government.

Harry Truman has announced that he will not be a candidate—yet, in the next breath, he attempted to dictate what the people should do, viz: "I want Democratic senators, representatives and governors elected . . . I will be IN THERE just the same as if I were the nominee." In other words, he will attempt to dictate the "Democratic" nominee, ignoring the voice of the people at the primaries—primaries are "eye-wash" to Harry—he said so himself.

REPUBLICANS: Let's nominate two great patriotic leaders who have the courage and ability to dash the "Inir" deal's accusations back into their faces and, at the same time present a program of unadulterated Americanism that will stop deficit-spending, lower vicious tax burden, revitalize and encourage private enterprise—the backbone of America's greatness—that new payrolls might be created and thus perpetuate the high standard of living enjoyed by America's working people. Leaders who WILL NOT send our boys into Unconstitutional "police actions" to fight and die simply to continue a false war economy that the nation might revel in a war-boom prosperity.

It's high time that young men of America again have their God-given, Constitutional right to chart their own careers rather than have those careers blotted by war, more war and idiotic "police actions."

In my 35 years of newspaper experience this is my first attempt to seek political office. Should the Republicans of this district honor me to represent them at the convention, I pledge myself to abide wholly by the will of the Republican voters of Oregon. One major trouble in our country today is having politicians who alledge themselves to the people and then "no their own selfish way." Ignoring the voice of the people, I will cooperate with the Oregon Delegation at the convention—no long as that delegation "hustle-in-the-line" as instructed by the Republican voters at the Primary. I will not be caucused into changing my vote, unless there is no other alternative.

ALWAYS BE CAREFUL DRIVING

You can swing it if you try

HAVE you, by any chance, been casting eyes at a Buick, and promising yourself that someday you will take the Big Step and have one all your own?

Let us whisper something to you. The "big step" isn't big at all.

We know that's true, because such a high percentage of present Buick owners traded in a car tagged as belonging in "the low-priced field."

So why not set your sights on this star performer?

Why not enjoy big-car comfort—big-car power—big-car prestige for your money?

There's one of these lively lovelies waiting for you to come in and try it.

Get the feel of its mighty Fireball 8 Engine, that's a gas-saving high-compression valve-in-head. You could pay \$300 to \$400 more for a car that doesn't match its horsepower.

Get the feel of Dynaflo Drive*, that lets you ride relaxed—feeds a silken flow of power—and at the same time cuts down on upkeep costs, by protecting the engine, the rear end, and even the tires, from driving strains.

Get the feel of a ride that cost a million dollars and more for controls of end-sway and side-roll and vertical "throw"—for X-bracing the frame and V-bracing the torque-tube keel—for a total of 15 ride-engineering features.

One thing you'll know for sure when you've tried it. This car wasn't "built to a price." It's a Buick through and through.

But the fact remains that—when you check the price of a Buick SPECIAL against the price tags on so-called "low-priced cars"—you'll find out you can swing it if you really want to.

And brother, will that make your family happy!
