

A SIGN OF THE TIMES—Crew members of a U. S. Air Force C-47 that made history's first successful landing at the geographic North Pole, examine a signpost built by Adm. Peary's party in 1900. A few feet away was a cache of supplies left by the early explorers. Lt. Col. Joseph J. Fletcher is at left and Pilot Lt. Col. William P. Benedict is at right.

Girls Turn Panty Raid Into Duds For Korea Relief

EUGENE (U)—A planned substitute for a panty raid at the University of Oregon turned into a wild three hours Wednesday night with the college boys still up to their tricks.

The evening got off to an early start but in the preliminary stages followed the script: The boys went whooping and hollering to the windows of the girls' dormitories and sorority houses and the girls tossed down clothing for Korean relief.

A few dropped an assortment of panties and bras, too, in keeping with the nation-wide spring madness.

Then the girls started out to collect their share of the clothing for Korea.

At the Alpha Tau Omega house they got pelted with paper bags of water. They got it again at the Sigma Nu house. Other groups at other Greek letter houses reported the same treatment with an occasional garden hose adding to dampening.

They skipped the men's dormitories after word got around that the treatment there would be even worse.

At midnight the wandering crowds drifted away and Thursday morning this was the summary: A quantity of clothing collected and more coming in from the boys who had other things on their mind Wednesday night; one student, Robert Richardson, 19, Sweet Home, in good condition in a hospital. And another, Ann Moyes, a junior, nursing a cut foot. She stepped on glass when someone tossed a bottle through a Carson Hall window; he fell off a truck.

Rise In Living Costs Changes Wage Rates

WASHINGTON (U)—The government Thursday reported a slight rise in living costs that boosted its index to within a shade of the all-time peak.

The index compiled by the Bureau of Labor Statistics (BLS) rose in mid-April to 188.7 per cent of the 1935-39 average. The all-time high of 189.1 was registered last January.

A million members of the CIO Auto Workers Union, whose pay rates are geared to the BLS index, will take a penny-an-hour pay cut since the index is still below the January level.

The auto workers will get a 4-cent hourly improvement pay increase May 29.

Thus with the penny reduction they'll receive a net three cent increase.

Broadcasts In Transit Given High Court O.K.

WASHINGTON (U)—The Supreme court Monday upheld transit radio broadcasts.

By a 7-1 vote the high tribunal decided radio broadcasts on buses and street cars do not violate the constitutional rights of passengers.

The decision involved broadcasts heard here on street cars and buses of the Capital Transit Company.

The dispute attracted wide attention, however, because at least ten other cities have radio broadcasting on public vehicles.

The case was taken to the highest tribunal after the U. S. Court of Appeals here declared Capital Transit's broadcasts "deprived of passengers of liberty without due process of law" in violation of the Constitution.

Proteins are found in all living cells.

TRI-HI-Y ELECTS

Joyce Johnson was elected president of the High School Junior Tri-Hi-Y Monday.

Other officers elected: Donna Ellison, vice-president; Kay Emery, secretary; Hollene Hanson, treasurer; Carolyn Pattison, sergeant at arms; Velma Lankford, historian; Roberta John, chaplain.
