200 4-H Club Members Welcomed By Truman

WASHINGTON (AP)—President Truman Thursday welcomed 200 4-H club youngsters to the White House, and invited them to come back next year even though "in all probability I won't be here to greet you."

And later in the day, talking to 100 school children, Truman said: "Along about the 20th of next January, I'm going to have to retire to private life and find me a job."

The 4-H clubbers presented Truman with a special plaque for "outstanding service to 4-H." They are here to attend the 22nd National 4-H Club camp, officially opened Thursday.
