White, Mathews, Nieman In Run For Honors As Rookie Of Year

By The Associated Press

Who are going to win the rookie of the year awards this year? It's a wide open race with practically every club in both big leagues boasting at least one outstanding candidate.

Sammy White, Eddie Mathews and Bob Nieman, a trio of first year "phenoms" laid solid claim to this honor Monday, coming through with noteworthy performances.

White, 23-year-old Boston catcher and former University of Washington ace, batted out three hits and drew a walk in four times at bat to lead the Red Sox to a 12-6 victory over the Detroit Tigers. Sammy struck his fifth homer of the season in the third inning and followed with a pair of singles in a big 11-run fourth to drive in four runs.

Mathews, the fuz-faced third baseman of the Boston Braves, rapped his 12th homer of the year in the sixth to put his team on even terms with Pittsburgh and scored again as the Braves rallied with five runs in the eighth to down the Pirates, 9-3.

Nieman batted in three runs on three hits for the Browns but could not stave off a 17-hitting spree by the Yankees that gave New York a 14-10 slugfest win over St. Louis.

Toledo AAA Franchise Shifted To Charleston

CHICAGO (AP) — The first bonafide franchise switch in the 51-year history of the American Association, triple A baseball league, has transferred the operation of Toledo, a charter member, to Charleston, W. Va.

The move came Monday after a five-hour meeting of association directors and a civic group from Charleston (pop. 75,000) headed by Mayor John T. Copenhaver.

The Toledo Mudhens will play as the Charleston Senators against Louisville at Charleston Friday night.

Senate Kills Proposed Ban On Seizure Power

WASHINGTON (D-NeV) — Sen. McCarran (D-NeV) lost out Monday in a move to get the Senate to take up a constitutional amendment that would deny a President the right to seize private property unless authorized by act of Congress.

The Senate voted 42 to 32 to table McCarran's motion that it proceed to immediate consideration of his constitutional amendment proposal.

The proposed constitutional amendment was vigorously opposed by administration leaders when McCarran brought it up in a surprise maneuver last Saturday.

But the parliamentary situation at the time was such that the senate was forced to give McCarran's motion priority.

Endorsement Given Home Construction Bill

WASHINGTON (AP) — Spokesmen for the administration and for private home builders endorsed Monday a Senate-passed bill designed to spur home construction in defense and disaster areas.

Their testimony was given to the House Banking Committee, which hopes to clear the legislation for final congressional action before Congress quits for the political conventions next month.

The bill would allow the Federal National Mortgage Association to purchase an additional 900 million dollars worth of mortgages on defense and disaster area housing, in addition to the two billion already bought.
