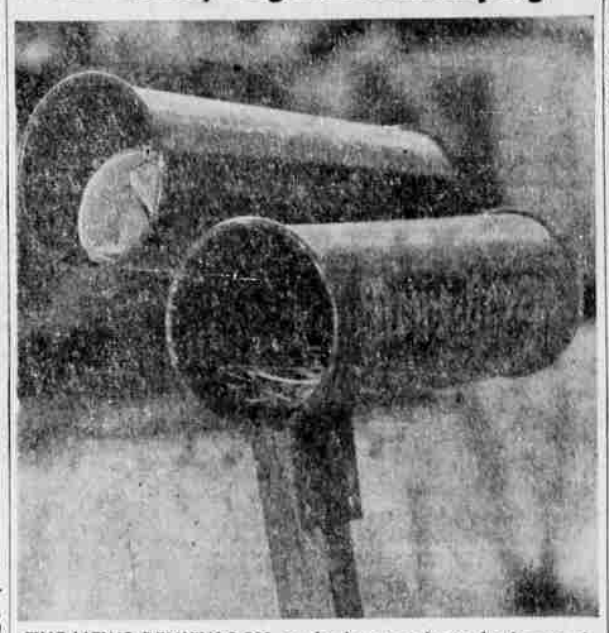
Wren Family Begins Housekeping

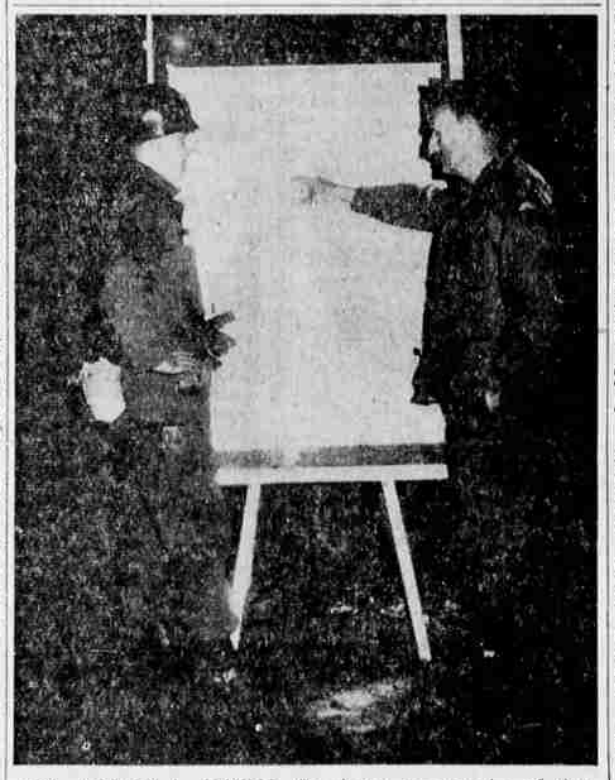


THE NEWS-REVIEW BOX on the lower right is the home of the Wren family who were out for the moment while the photographer took the picture. The new box to the left was put up after the wrens set up housekeeping in the old one. (Picture by Don Engdahl).

Like many people in Roseburg, two wrens who wanted to settle down and raise a family were looking for an apartment for summer lease. Evidently they decided that the News-Review is using those red newspaper boxes for the wrong purpose, because they looked to them just like birdhouses.

The house - hunting wrens picked the News-Review box belonging to Mr. and Mrs. Richard Stark, of Fisher Road, and moved in June 14. The wrens were a bit disturbed when Mrs. Frenholm, Review route carrier, unknowingly put the newspaper on top of their household furnishings.

A phone call to the News-Review office soon remedied the situation (no, the birds didn't make the call) and now Mr. and Mrs. Wren are waiting for six eggs to hatch while the Starks receive their paper in another box mounted beside the old one.



COL. ROBERT L. IRVING, Roseburg, commander of the 186th Infantry Regiment, points out a new change on the regimental operations map to Master Sergeant Ted T. Cosby, operations sergeant, during command post exercises of the 41st Infantry Division. Purpose of the exercises taking place during a three-day bivouac of National Guardsmen at the summer encampment at Northwest Fort Lewis, Wash., is to give headquarters organizations training in developing tactics and strategy. Bolt Kills Mother, Son While Washing Auto

NIAGARA FALLS, N. Y. (AP) — A mother and her 6-year-old son were killed Thursday while they were washing an auto.

Witnesses said Mrs. Ocie Mae Bryants, 31, and her son, James, were washing the family auto in their back yard when the bolt struck the car. There was no rain falling at the time, but a series of thunderstorms moved into the area later.

BRIDGE TESTER BUILT

LONDON (AP) — Britain has built an 85-ton vehicle, believed to be the only one of its kind in the world, for testing road bridges. Named "Ossa upon Pelion" — after the Greek mountains of those names — the vehicle carries a 35-foot-long 50-ton chunk of concrete which can be maneuvered to change the weight on the vehicle's bogey wheels.

The weight on a single bogey can be varied at will from 20 to 90 tons for bridge-testing.

Finnish Blonde Wins 30-Nation Beauty Contest

LONG BEACH, Calif. (AP) — A perfect Scandinavian beauty—Finland's blonde Armi Kuusela—rules as Miss Universe Monday.

One of her country's official greeters at next month's Olympic games, 18-year-old Miss Kuusela reveled in her royal reception hereafter beating beauties from 29 other lands.

The fair, blue-eyed Finn was crowned with a diamond-studded coronet that once graced the heads of three czarinas of Russia. At her coronation ball Sunday night, she received a motion picutre contract, a $3,000 sports car and a $2,500 wrist watch.

Selected as "The Most Beautiful Girl in the World," Miss Finland is 5 feet 5 inches tall and weighs 110 pounds. It is symmetrically distributed on a figure measuring 34, 23 and 34 inches around bust, waist and hips.

Miss Hawaii, dark-eyed brunette, Elsa Edsman, was a close second.

Miss Greece, Daisy Mavraki, 18, of Crete, was third, with Miss Hong Kong, Judy Dan, 21, fourth, and Miss Germany, Renate Hoy, 21, of Munich was fifth.

All finalists, plus Miss United States, Jackie Loughery, 21, of Brooklyn, also received three-month minimum film contracts for $1,000 each.

Miss United States was eliminated in the semi-finals, together with the Misses Uruguay, South Africa, Sweden and Mexico.

Other lands represented in the beauty pageant were, Alaska, Australia, Belgium, Canada, Chile, Cuba, Denmark, France, Great Britain, India, Israel, Italy, Japan, Norway, Panama, Peru, Philippines, Puerto Rico, Turkey, and Venezuela.

Egypt Changes Premiers Over Suez Dispute

ALEXANDRIA, Egypt (AP) — Turbulent Egypt struggled with her third cabinet crisis in five months Monday, following the resignation of Prime Minister Ahmed Naguib Hilaly Pasha and the naming of another veteran independent politician, Hussein Sirry Pasha, to form a new government.

The 60-year-old Sirry Pasha, who has been premier three times before, received King Farouk's mandate to form a cabinet Saturday night and at once began discussions with political leaders.

No official reason was given for Hilaly Pasha's resignation Saturday, but there was speculation that he had not moved fast enough with his announced program of cleaning up graft in the Egyptian government and winning the nation's chief aims—to oust the British from the Suez Canal Zone and to unify Egypt and the neighboring Anglo-Egyptian Sudan.

The Egyptian press recently had criticized the Premier for the stalemate in talks with the British on the Suez and Sudanese questions. The British unofficially have agreed to evacuate the Canal Zone by stages but still refuse to recognize King Farouk's sovereignty over the Sudan, which Britain now administers.

Boys Legislature Elects Officers

SALEM (AP) — The annual Boys State Legislature, sponsored by the American Legion, opened Thursday in the Oregon state legislative chambers.

The boys elected Leonard Andis, Bend, as their governor. He defeated Don Jambura, Pendleton, and Douglas Basham, Portland.

Other officers elected:

James Yoes, Portland, secretary of state; Charles Frost, Medford, treasurer; William Hamilton, Grants Pass, labor commissioner; Paul Suba, Lakeview, attorney general; Jack Alstock, Portland, school superintendent; and Ralph Sipprell, Salem; Jim Newsom, Eugene, and George Ronning, Portland, supreme court justices.

Senate Group Slashes Military Spending Bill

WASHINGTON (AP) — The Senate Appropriations committee Thursday wiped out a House-voted ceiling of 46 billion dollars on military spending in the government's new year.

But it cut new appropriations for the armed services to $45,800,000,000—about 400 million less than the House approved.

The committee has been working over a House bill to finance the Defense Department in the fiscal year beginning July 1. Its decisions now go to the Senate.

Once the Senate acts, a compromise with the House will have to be worked out.
