

6-Day Fight For Public Links Championship Starts At Miami

MIAMI, Fla. (AP) — The rugged, six-day, man to man battle for National Public Links Golf championship opened Monday over the 6,411 yard Miami Country Club course, the oldest and one of the toughest in the South.

Two hundred stars of the municipal courses were here to compete in the grueling, eight-round struggle, including 199 who qualified in district tests throughout the United States and Hawaii. Defending champion Dave Stanley of Los Angeles was exempt from the qualifying round.

The Miami course offered a formidable challenge to the visitors in Saturday's medal competition for the Warren G. Harding trophy. The aggregate score of 227 by the winning Chicago team of George Dayantlis, John Droba and Danto Vicini was 17 strokes over par.

Edward Vandenberg, William Lees, and Roy Atkins, of the Portland, Ore., team tied for 14th with 249.

Tied for 17th with 241 was the Seattle team of Bill Burns, John Tershin and Ernest Althuser. Roger Brice, John Hallin and Richard Durgan of Spokane finished 31st with 254.

19-Girl Swim Team Selected

INDIANAPOLIS (AP) — The 1952 U. S. women's Olympic swimming team could set a new Olympic record in the 400-meter relay and it's the strongest it has ever been in the 200-meter breaststroke.

The 19-girl team selected in trout at Broad Ripple pool over the weekend cracked two American records in the battle of teenagers with Olympic veterans.

Eighteen-year-old Evelyn Kawamoto of the Hawaii Swim Club broke her own year old American record in the 400-meter freestyle Sunday. She lowered the mark from 5:17.4 to 5:14.6.

Gail Peters of the Walter Reed Hospital team, Washington, set a U. S. record of 3:02.6 Saturday in the 200-meter breast stroke. Miss Kawamoto had held the old record of 3:03 for two years.

Navy, Washington Get 2 Crew Berths For Helsinki Olympics

WORCESTER, Mass. (AP) — Navy's eight-oared crew and Washington's fours with coxswain won trips to Helsinki in Olympic rowing finals on Lake Quinsigamond Saturday.

The middle eight covered the 2,000 meter course in the fast time of 5:57.7 for a 2 1/2 length victory over Princeton. And Washington, a third-place finisher in the eight-oared event, was an easy winner over Navy and two other teams in the fours with coxswain race.

The Huskies were timed in 5:46, more than five seconds faster than Navy.

The Washington Athletic Club of Seattle was second and Cornell third.

Navy also won the four without coxswain.

The winning Washington four included Al Ulbricksen Jr., son of the Husky coach, rowing the No. 2 position. Others were Fil Leanderson, stroke; Dick Wahlstrom, No. 3; Carl Lovested, bow, and Al Rossi, coxswain.

Roseburg Jrs. Play Myrtles

The Roseburg Junior Legion hosts Myrtle Creek at Finlay Field tonight at 8 in a game which should just about determine the league championship.

The Myrtle Creek team squeaked out a 4-3 victory over the locals at home last Friday to take a half game lead in the race. The visitors will be sporting a perfect 3-0 record when they move into the Finlay pastures. Roseburg carries a 3-1 record.

If Coaches Wally Richardson and Hal Zurcher follow the form sheets, they will send Jim Phillips and Chuck Verrell to the plate. Verrell especially, has a score to settle with Myrtle Creek. He gave fewer hits than Phillips Friday and struck out 11 opponents, only to see the game blow away with Roseburg's only error of the fray.

HOMEWORK OPINIONS

RICHMOND, Va. (AP) — The seventh grade kids at the Glen Lea School are the subject of an experiment they like—no homework on weekends.

The teacher also asked them to write what they thought of homework. Some of the pupils could see the sense in homework but others felt like this:

"It is not healthy to work your brain too long at one time."

"Homework is stressed so that most children despise it simply because there is no end to it."

"Homework stinks."
