

## More Power—More Protection

For diesels and farm tractors • For bus, truck, and taxi fleets • For stationary, electrical, marine—all power plants

... especially for  
your family car!

**RISLONE** in your motor oil gives your car  
smooth, new power in 10 miles  
-- or your money back

Prove it to yourself. Ask your service man to put a quart of Rislone in your crankcase oil today (2 quarts in large cars). Drive 10 miles. You can actually feel your car's performance improve—actually feel the surge of quiet, smooth, new power as Rislone absorbs gum and sludge, restores lost compression. Prove it to yourself. Over 20,000,000 guarantee cards have been given to motorists—and less than 1 in 100,000 asked for money back. That's real proof of Rislone's wonder-working magic. To give your car the best of care, keep Rislone in the crankcase all the time. It's a full-time lubricant, with no harmful ingredients—and protects new cars and permits normal driving speeds immediately, prolongs the life of all engines. Don't wait—your car needs Rislone now.

Here's how

## Winston Plans New Skating Club

By MRS. GEORGE BACHER  
Persons interested in organizing a skating club for the community of Winston, Dillard, Brockway, Ten-mile and Camas Valley attended the initial meeting Tuesday evening at the Community Hall.  
New flooring is being laid in the hall to prepare for the rink. Funds for the project were collected in a recent drive and most of the work has been volunteer, according to the planning committee.  
Both adults and children will be welcomed into the club. Yearly membership fees have been set at a minimum and monthly dues are expected to be small.

**News Briefs**

Mr. and Mrs. L. J. Fullerton spent the holiday weekend at their summer cabin on Susan Creek.

## LOCAL NEWS

**Grandchildren Visiting**—Mr. and Mrs. Roy Hutchings have their two grandchildren, Karen and Barbara Kohnle, of Portland visiting with them at their home on Blakeley Street for three weeks. The children's parents, Mr. and Mrs. C. F. Kohnle, spent the fourth of July weekend with the Hutchings prior to leaving for a vacation trip to points in California. Mrs. Kohnle is the former Myrtle Hutchings, daughter of the Roy Hutchings. The Kohnles make their home in Portland.

**Visiting From Montana**—Mr. and Mrs. A. S. Block and daughter, Melva, from Butte, Mont., and Mr. and Mrs. D. C. Bryan of Whitehall, Mont., have been guests at the home of Mr. and Mrs. Frank Webster in Roseburg for the past few days. Both Mrs. Block and Mrs. Bryan are sisters of Mrs. Webster. The entire group left Tuesday for a two-day trip to the William Randolph Hearst ranch out of McCloud, Calif. The Montana visitors plan to return to their homes Friday.

**HONORS ABOLISHED**  
tumwa Board of Education stirred up a tempest when it decided to do away with scholastic honors at future high school commencement. No more valedictorians or salutatorians.  
The board reasoned that class grades are not compiled early enough to make a fair distribution of honor awards. Ostrumwans who disagreed engaged in a flurry of letterwriting. The board has stuck by its guns.

## British Honduras Missionary To Speak

A talk and colored slides on missionary work in British Honduras are in store for those hearing the Rev. and Mrs. Harold Hampton speak at the Roseburg Church of the Nazarene at 8 p.m., DST, Thursday.  
The Rev. Mr. Hampton is district superintendent of his church's work in the Honduras. He is a college graduate and has pastored a church for many years. Both he and his wife are U.S. citizens. They lived in Idaho and the East before going to Central America. The service was originally planned for Wednesday. It is open to the public.

## Church of God Pastor To Attend State Meet

The Rev. H. A. Schlatter of the Roseburg Church of God will travel to Clackamas July 25 for a 10-day state convention of the church.

Accompanying him will be two members of his congregation—Mrs. Melvin Palmer Wilbur, and Earl Pope, 2035 N. Stephens. Both are laymen representing the Association of the Church of God of Oregon.

The Rev. Mr. Schlatter will serve as secretary of registration and the co-ordination committee for the conference.

# IF YOU WANT BIGGER PAYLOADS, YOU WANT A DODGE!

"We solved our hauling problems with Dodge 'Job-Rated' trucks"

... says **BERNARD J. CARNEY**, Manager

Weyerhaeuser & Denkmann Lumber Yard, Rock Island Lumber Co., Rock Island, Ill.

"Our business calls for trucks that can haul big loads day in and day out—and we like our trucks to last, too! That's why we prefer Dodge trucks that are 'Job-Rated' to fit our particular hauling job.  
"We recently put in service two Dodge 'Job-Rated' 1 1/2-ton models... and they sure haul big loads the way we want them to! For instance, the 170-inch wheelbase models allow for a 14-foot body, which is ideal for our business. And Dodge easy-handling advantages enable us to maneuver these trucks in the same space as some other trucks with 12-foot bodies."

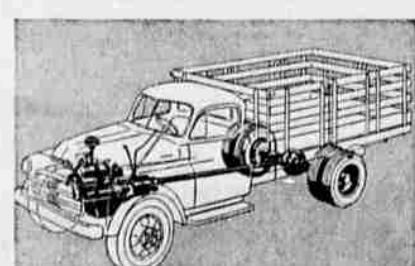

- For bigger payloads, choose from many Dodge "Job-Rated" trucks—1/2- through 4-ton.
- "Job-Rated" engineering makes it possible to haul more with the right Dodge truck for your needs.
- You haul more economically, because of advantages like lightweight aluminum-alloy pistons and others.
- To get smoother power for extra load protection, famous gyl Fluid Drive is available on 1/2-, 3/4-, 1-ton, and Route-Van models.
- Come in for a demonstration—and an extra good deal!

Better weight distribution. Dodge short wheelbase allows more weight to be carried on front axle. Because the engine is located farther forward and front axle is moved back, you haul bigger loads without overloading.

The right load-carrying units. The frame, axles, springs, and other units that carry the load are "Job-Rated" on Dodge trucks. Each is engineered to provide the strength and capacity needed to support your load.

The right load-moving units. You get an engine "Job-Rated" with plenty of power to pull bigger loads at low cost. All load-moving units—such as clutch, transmission, rear axle—are engineered to move bigger loads.
