

Clock Stopping To Be Abolished By W. Va. Court

CHARLESTON, W. Va. (AP)—West Virginia's Supreme Court has served notice it is ready to outlaw the time-honored legislative practice of stopping the clock.

"The device is emphatically disapproved," Judge Frank C. Ray-

mond wrote in a decision. "It cannot in law stop the actual passage of time or lawfully continue or prolong a regular session of the legislature."

YOUNG MEN... YOUNG WOMEN—under 35

Do You Have the **SPARK** that Attracts?

...the SPARK that Drives You to Success?

FOR DYNAMIC HELP Try **VYONS** with **Chlorophyll**

Newspaper Ban On Using Word 'Jap' Proposed

PORTLAND (AP)—A number of resolutions including one which calls for a newspaper ban against the word "Jap" were to go before delegates of the 19th annual American Newspaper Guild convention here Wednesday.

Other resolutions proposed at Tuesday's session, call for moving Guild headquarters from New York to Denver and construction of a Heywood Brown Memorial building to house the Guild's national offices.

A civil rights resolution was offered by William J. Farson, Guild secretary-treasurer. It called for a halt to prosecutions "for speech or advocacy as contrasted with overt acts."

Ronald Reagan, actor and president of the AFL Screen Actors Tuesday night's banquet session. He asked the ANG to join his organization in a fight to preserve free speech and expression.

Earlier two warring factions within the Guild declared a truce. Edward Easton Jr., of New York was elected to head a committee which will work to unite more completely the Pro Guild and the Free Guild factions. The Free Guild, dissolved at a caucus here, had been critical of the Guild administration for several years.

Marriages, Divorces Decrease During 1951

WASHINGTON (AP)—The American mating call was muted last year. Marriages were away down. So were divorces.

The Public Health Service said Tuesday the 1951 marriage rate apparently dipped to the lowest point since 1938—1,594,900 marriages, 10.4 per thousand population, and a reduction of 72,300 from 1950.

The 1951 total is 37 per cent below the record set in 1946. There were an estimated 371,000 divorces in 1951—2.4 per every 1,000 persons—compared with 385,100 in 1950.

that the new code overhauling West Virginia's motor vehicle laws was passed by the 1951 legislature after the clocks had been stopped.

The court denied this plea, saying the evidence did not show clearly this had happened. But, said the court, if there is such proof in future cases the laws involved "will be necessarily and unhesitatingly" held unconstitutional.

Tenmile Logger Breaks Ankle Friday On Job

By JULIA BREITENBUCHER
Jim Nuzum suffered a broken ankle Friday while working at logging operations for Clayton Bros. at Melrose. He is staying at the home of his mother, Mrs. Dewey Chamblen.

Mr. and Mrs. B. B. Smith enjoyed a trip to Portland during the holiday vacation to see the Portland Beavers baseball game on July 4. They spent one night visiting friends at Monmouth and also visited Mr. and Mrs. Joe Wilson at Eagle Creek. They returned via the Mt. Hood Loop, stopping at Redmond to visit Mr. and Mrs. A. P. Miller. Mrs. Miller was formerly Ruby McDaniel.

Mr. and Mrs. B. B. Smith received a letter recently from their son, Sidney Smith, who is aboard the Shadwell LSD-15 in Greenland. He said they didn't worry there about daylight saving time as the sun was shining both night and day.

Wendell Johnson, 17, a Negro, thought he heard five occupants of a parked car, all from Beaverton, make a slighting remark about him. He walked across the street, put his head in the window

Wild Fight Jails Teen-Agers; Man Hit By Bullet

PORTLAND (AP)—A downtown fight, continued in the S. W. Macadam avenue residential district Monday night, wound up with seven in custody and an eighth in a hospital with a bullet-shattered kneecap. Six are teen-agers. Two are in their early 20's.

This is the way the police report tells it:

Johnson's companions, both white, took him in their car when the fight simmered down and headed south. The Beaverton car took after them, apparently because of a parting remark by Johnson.

They wound up at the Richard E. Davis home. Davis was awakened when his son, William, 17, came in to get a rifle. Davis took the rifle from his son but ordered the five from Beaverton, who had

Get active chlorophyll in your toothpaste

Chlorodent brings you active chlorophyll

PROOF of active chlorophyll! Look for chlorophyll-green on your toothbrush!

It's no trick at all to add chlorophyll* to toothpaste. The problem is to make the chlorophyll active... instantly available when you brush your teeth.

This takes a special "activating" ingredient. The vital activator used in Chlorodent is patented (U. S. Patent #2216816). No other dentifrice can use it. You can be sure when you use Chlorodent that all of chlorophyll's benefits are put to work!

Here's your visible proof of active chlorophyll: Note that Chlorodent deeply colors your brush with nature's leaf-green chlorophyll color. This rich "chlorophyll-green" shows that you are getting active chlorophyll... to give you a clean fresh mouth all day!

No other toothpaste can offer this proof!

Clean Fresh Mouth All Day Long!

Chlorodent was used in hundreds of tests on people with bad breath. When they brushed their teeth with Chlorodent, their mouth odor disappeared. Two hours later, their breath was still clean in 98% of the cases. Four hours later (end of test), 74% were still free of bad breath. By using Chlorodent regularly—preferably after meals—you can be free of mouth odor all day! Ask for Chlorodent today!

Now strike at the very causes of TOOTH DECAY!

Chlorodent reduces mouth acids that "eat" into tooth enamel... and the bacteria which cause them. Keeps teeth so clean that bacteria find it difficult to multiply. No toothpaste offers better protection!

Half of all tooth losses caused by GUM TROUBLES!

An estimated 50% of all tooth loss can be traced to conditions which start with sore, bleeding gums. Chlorodent promotes the growth of firm, healthy pink tissue. If you have tender gums, be sure to use Chlorodent!

Chlorodent The chlorophyll dentifrice
