Convention Chaos Affects Chicago Cash Registers

By FRANK EDWARDS

Mutual Network Commentator

CHICAGO — Political dynamite at the GOP's Convention Hall has dulled the ring of this city's cash registers.

Businessmen, concessionaires and entertainment operators are hopeful that the Republican Party's delegates, involved in more rousing floor battles, will have enough energy left at the end of the week to go "on the town" a bit.

Cabbies, waiters, bus boys and others who depend on convention-goers' largesse to bolster their livelihood are crying the blues. Delegates are attending so closely to their political affairs they're forgetting the little things in life—such as tips for services rendered.

CONVENTION TID-BITS: Keen interest in the American presidential nominations is evidenced by the large contingent of foreign newspapermen covering the GOP conclave. No less than 15 countries are represented in the press section. England leads the field with reporters from 16 publications. France and Japan are represented by four papers. . . . Other countries include Austria, China, Yugoslavia, Switzerland, Australia, Germany, India, Italy, Puerto Rico, Philippines and Egypt. . . . With admission tickets for convention sessions at a premium, state organizations are finding it difficult to take care of followers. Wisconsin had eighty tickets but how to divide them among the hundreds of visitors from that state posed a ticklish problem. . . . TV sets were installed at their Bismarck Hotel headquarters where disappointed Wisconsiners could watch the show, eat pretzels and quaff beer or soft drinks. . . . South Dakota's Axel Beck, a national committeeman, faced a similar problem with 200 Dakotans clamoring for his allotment of 42 tickets. . . . Mrs. Anna Lomas, of Red Oak, Iowa, is one of the most popular ladies in Chicago this week. . . . Seems party workers discovered she hasn't made up her mind as to her presidential choice. . . .

BACK ROOM TOPICS: The "bread lines" at Convention Hall are almost as long as the flow of oratory. Hungry delegates, visitors and press personnel form huge queues for sandwiches and coffee. . . . Among the campaign gimmicks used by enterprising politicians are circus animals, calliope, a helicopter, a captive blimp, bands and sound trucks. . . . Department stores report booming sales in their costume jewelry departments. Convention "widows" will be receiving some handsome gifts when their husbands return from Chicago. . . . Singing star Alan Jones who entertained delegates at Tuesday morning's sessions gave GOPers some anxious moments when he started his first number. He gave forth with the "Donkey Serenade," hardly appropriate for the occasion.

Arrive in Japan

Mrs. Clyde Adair, nee Bess Barkers of Roseburg, and children, Bonnie, 12; Marilyn, 10, and Mike 2 1/2, have arrived in Japan by ship to join Major Adair and make their home. Major Adair, son of Mr. and Mrs. W. J. Adair of this city, was formerly division manager for United Petroleum Corporation at Portland and Roseburg. He is now the wing's director of material at the base for the 403rd troop carrier wing from Portland. The Adairs' new home, just 15 minutes drive from the base, is reported to set in surroundings similar to the Yauchas river on the Oregon Coast. The two Adair daughters will attend the school set up at the base for American children. An account of the family's arrival in Yokohama appears in the Oregonian, July 11.

Road Showing Of 'Quo Vadis' Starts Sunday

The road show presentation of M-G-M's most heralded Technicolor production of "Quo Vadis" is scheduled for Sunday, Monday and Tuesday at the Indian Theatre. Showings are scheduled at 2 and 8 p.m. daily. The film stars Lee Gann, Peter Ustinov, heading a cast of thousands.

Based upon the celebrated novel by Henryk Sienkiewicz, filmed against the grandeur of historic Rome in a prodigious undertaking requiring more than 12 years of preparation and actual filming, this drama of the birth of Christianity in a pagan world and the love of a Roman warrior for a beautiful Christian hostage is unfolded with glittering splendor and tremendous dramatic impact. Here we have the corrupt and extravagant imperial court of the Emperor Nero brought to life in scenes of staggering immensity, with its spectacles of thousands of triumphant warriors, led by Marcus Vinicius, making a triumphant entry into Rome along the garlanded Appian Way; the scenes of the populace saluting the vestal virgins as they pay homage to the 40-foot-high statues of the pagan gods; the bacchanal in Nero's ornate palace as the emperor holds a banquet in honor of the victorious Vinicius; the burning of Rome in spectacle scenes never before equalled on the screen as they depict the terrified populace screaming and trampling on each other in their frenzied attempt to flee the city; the racing chariots; the martyrdom of the Christians as they are torn apart by lions and burned on crosses; and the final climax, in which the Christian hostage, Lygia, is saved from being killed by a ferocious bull when her bodyguard, Ursus, kills the beast in a blood-curdling show given by Nero in the huge Circus Maximus.

The picture opens with the return of Vinicius (Robert Taylor) to Rome, following his victorious campaign in Britain, and his meeting with Lygia (Deborah Kerr), young daughter of the late King of Lydia and now a military prisoner, with whom he falls in love. His cynicism in regards to her strange religion of universal love at first proves a barrier to their romance but he is won over to Lygia's faith after the cruelly capricious Nero has burned Rome inciting the wrath of the populace.

Ike's Brother Forced To Identify Himself

CHICAGO — A man approached the outer guard Friday in the corridor that leads to the suite of Gen. Dwight D. Eisenhower in the Blackstone Hotel.

The guard stopped the stranger and asked "are you one of the members of the Louisiana delegation?"

"Heck, no, I'm Ed Eisenhower from Tacoma and I'm looking for my brother," the newcomer replied.

Edgar Eisenhower was admitted at once. Two other brothers of the general also are here — Earl of Charleston, Pa., and Milton, president of Pennsylvania State College.

Back From California

Mr. and Mrs. William C. Woods and son, Donald, have returned to their home in Roseburg, following a 10-day vacation trip to California. They visited at the home of Mrs. Woods' brother-in-law and sister, Mr. and Mrs. Lester Beckes, in Sonoma, and in Stockton with her brother-in-law and sister, Mr. and Mrs. Herb Spangenberg. Mrs. Spangenberg left following their visit for Brandon to visit relatives and Mr. Spangenberg accompanied the Woods family home. He left Friday afternoon for Brandon to join his wife and to help move her step-father and mother, Mr. and Mrs. Herman Brown, to Sutherlin. The Browns recently purchased a home in Sutherlin, while in California, Mr. and Mrs. Woods and Donald enjoyed a trip to Columbia State Park and to see the giant redwoods at Calaveras.

Sen. Russell Sure He Can Beat Eisenhower

WASHINGTON — Sen. Richard Russell of Georgia congratulated Gen. Dwight D. Eisenhower on winning the Republican presidential nomination and said Friday he'd welcome the chance to run against him in the fall.

Russell, a candidate for the Democratic nomination for president, said, too, he was sure he could beat Eisenhower.
