

Red Cross Chapter Will Elect Officers

Election of officers and capping ceremonies are on the agenda for the annual meeting of the Douglas County Chapter of the American Red Cross July 25 at 8 p.m. in the armory.

Dr. John Haskins of the Roseburg Veterans Hospital will cap and receive Gray Ladies during the meeting.

Merits of service for the fund campaign will be given, as well as special recognition for service during the year.

The meeting is open to any interested persons.

March Of Dimes Has New Leader

DR. VERNER ANDERSON
Takes Over Fund Task

Dr. Verner Anderson, Roseburg dentist, has been named as new city chairman for the March of Dimes. He succeeds KRRR announcer Bob McCarl, who is leaving Roseburg with his family the end of this month to establish residence in Hollywood, Calif.

Dr. Anderson has been very active in civic affairs during his residence here and looks forward with pleasure to the prospect of leading the March of Dimes fund raising drive in early 1953, he said.

As Roseburg chairman, Dr. Anderson will also be appointed to a director's chair in the Douglas County Chapter of the National Foundation for Infantile Paralysis.

Bob Bashford, county chairman, announcing the selection today, stated that he feels certain Dr. Anderson is the man to maintain Roseburg's present status as one of the top cities in the nation in collections for the March of Dimes, a standing established in last year's drive under retiring City Chairman McCarl.

Dr. Anderson came to Roseburg a year ago from Portland, after completing his University of Oregon Dental School education.

Details Of New School Shop Told

Bids for construction of the new shop building on the Senior High School grounds are due by 7 p.m. Aug. 5 at the School District No. 4 office in the Junior High School according to V. J. Micelli, clerk.

The building will contain wood-working, metal craft, leather craft, automobile mechanic and agricultural shops, with classrooms, storerooms and offices.

Part of the structure will be two-story. A balcony for storage purposes will run through the center of the building.

Location will be south of the Library Arts Building, on land now occupied by the parking lot. The lot will be relocated south of the Fullerton School Building.

Reinforced concrete building construction will be used in the 141x36 foot shop. The second story will have a laminated wood floor and column supports on the interior. Roof will be of built up composition.

Heating will be by strip convection. A mechanical exhausting system is planned to remove fumes from various working areas of the shop.

Architects are Freeman, Hay slip & Tuft of Portland.
