ONTARIO — Five new polio cases in the past week were reported Tuesday by Dr. L.A. Maulding, Malheur County health officer. He said inadequate sewage disposal facilities here may be a contributing factor in spread of the disease. Basements of many homes were flooded with sewage in last April's floods, he pointed out.

Linsced was an important food of the Greeks and Romans.

YOUNG EMPLOYEES' FAULTS

NEW YORK — The trouble with recent high school graduates employed by the member firm, says the Commerce and Industry Association of New York, is that their spelling is bad, their handwriting illegible, their arithmetic unreliable and they expect too much pay and too rapid advancement.

The survey was based on questionnaires filled in by executives of 165 firms about the aptitudes and job qualifications of 33,234 employees hired since 1947 with high school educations.

Of Hitchhikers 'The Hard Way' Dillard Man Learns To Be Wary

By MRS. ROSA HEINBACH

Frank Hugo, Dillard, learned to be wary of hitchhikers last week. Hugo, who lives with his son-in-law and daughter, Mr. and Mrs. Dean Collins and children, Perley and Andy, saw a youth hitchhiking on the road between Winston and Dillard Saturday.

He stopped. Since the youth was hungry and had no place to spend the night, Hugo gave him money for a meal and invited him to spend the night at the Collins' home. He promised to help the youth locate work in the morning.

Sunday morning Hugo awoke to find his wallet gone, the dresser drawers ransacked and \$100 missing. The hitchhiker also changed into some of Collins' good clothes before leaving.

At the time the Collins family was spending the week at Newport Beach where they met Mr. Collins' brother and wife, Mr. and Mrs. Roy Collins, of Portland for some deep sea fishing.

FALSE TEETH

That Loosen Need Not Embarrass

Many wearers of false teeth have suffered real embarrassment because their plates dropped, slipped or wobbled at just the wrong time. Do not live in fear of this happening to you. Just sprinkle a little FASTEETH, the alkaline (non-acid) powder, on your plates. Holds false teeth more firmly, so they feel more comfortable. Does not stain. Get FASTEETH at any drug store.

AUTOMATIC MOUSETRAP

NEW YORK — A new mousetrap kills by electric shock that cannot be transmitted to humans because of its unique design.
