CHEAPER BY DOZEN — The happy mother posing above with her new babies is "Burma," a two and a half year old Chesapeake retriever owned by Mr. and Mrs. M. Stryker, who are building a new home near the end of Fisher road. Burma's 12 lively babies are now two months old. The Stryker's son, Michael, vainly tries to keep all of the wriggly puppies in the picture. One escaped him and is in the woodshed in the rear. Burma is the third registered retriever owned by the Stryker family. (Picture by Paul Jenkins)

Fiery Bomber Crashes Into Sea; 2 Lost, 6 Saved

SAN DIEGO, Calif. (AP) — Two crew members were lost and six others rescued from the flaming crash of a B-36 bomber just off shore from here Tuesday.

The giant 10-engine craft was coming in for a landing on a test flight when the No. 5 engine, on the right side, caught fire.

An explosion, which shook windows of beach residents, followed the fire and then plunged into the waves in view of hundreds of persons on the beach.

All of the crew were employees of Consolidated Vultee Aircraft Corp., which was modernizing the plane. Convair said the two lost were Dr. H. Franks, the pilot, and W. W. Hoffman, first flight engineer, both of San Diego.
