United Nations' Education Plans Scored By VFW

LOS ANGELES — The 53rd National Encampment of the Veterans of Foreign Wars has approved a resolution condemning use of the United Nations educational, social and cultural organization's study program in public schools.

Protesting what they called "planned corruption of American children's minds and of the school system," the delegates Thursday passed a resolution saying in part: "The Veterans of Foreign Wars believes that a teacher's highest duty is to inspire in children an unquestionable loyalty to their own country, a deep understanding of its ideals, a staunch faith in its institutions; a deep respect for the leaders who made the world."

James W. Cochran, Bishopville, S.C., incoming commander-in-chief, said: "The Veterans of Foreign Wars stand four-square for the scrapping of anything that involves surrender of American sovereignty throughout the world. And that includes the UNESCO program section of the United Nations setup."

Universal military training was called for in a resolution which declared, "no nation can use strong talk at the peace table without military might to back it up, and a well trained reserve will form part of that might."

Delegates also demanded an increased Merchant Marine, cessation of trade with Czechoslovakia and release of William Oatis, Associated Press correspondent now held prisoner by the Czechs.

Closing business Friday includes election of officers. None of the nominees are from the Pacific Northwest.

Mrs. George L. Holm, Chicago, was nominated for national president of the Ladies' Auxiliary.

Heroic Crewmen Save Carrier In Explosions

TOKYO — U.S. Far East Naval headquarters described Friday how heroic crewmen saved the aircraft carrier Boxer from flaming explosions which killed nine shipmates.

Minutes after flames broke out below decks at dawn Wednesday, crewmen braved smoke and inferno-like heat to unload bombs and ammunition from planes reached for strikes against the Communists in North Korea.

Other seamen donned oxygen masks and rescued comrades trapped by smoke and flames. Their skipper called it an "inspiring performance."

The Navy here said the fire and explosions injured 32.

The explosions occurred while the Boxer was 90 miles east of Wonsan, Korean East Coast port.
