DeWitts Wins Canadian Tennis Championship

VICTORIA, B. C. (AP) — Top-ranked Jerry DeWitts of Oakland, Calif., defeated second-seeded Fred Fisher of Seattle, 7-5, 6-2, 6-0 Saturday to win the British Columbia Lawn Tennis men's singles championship.

Marjorie McCord of Berkeley, Calif., took the women's singles title with a 6-1, 6-4 victory over Mrs. Muriel Kifer of Menlo Park.

A REALLY BIG ONE was this log containing 5,600 board feet exhibited in the Sutherlin Timber Days parade by Wallace Bros. from their Empire mill. Besides floats and mounted groups, several pieces of logging and City of Sutherlin equipment were included in the parade line.

Crop Prospects Top 1951 Harvest Despite Drought

WASHINGTON (AP) — Crop prospects this year still exceed last year's bountiful harvest despite losses resulting from drought and searing weather in some parts of the country during recent weeks.

Reporting this, the Agriculture Department said Monday that indicated production of food, livestock, fiber and other crops this season dropped about 3 per cent during July, but still was about 1 per cent above last year's total output, which was the third largest on record.

Severe dry weather cut into cotton, tobacco, feed grains, hay, pasture, fruit and vegetable crops in the east and southeast during July. But much of this damage was offset by improvements in other sections, particularly in the midwest.

Production of corn—the major feed material for meat and dairy animals and poultry—was cut about 7 per cent from the department's July 1 estimate. But the indicated crop is still considerably larger than last year.

The latest estimate for wheat is slightly larger than that of a month ago and nearly 30 per cent larger than last year.

There are about 80,000 species of moths and butterflies.

LOCAL NEWS

Discharged — Howard P. Parsons, employee of Weyerhaeuser Timber Company, Sutherlin, has been discharged from Douglas Community Hospital, where he recently underwent surgery.

Home From Hospital — Les Bauer has returned to Roseburg, following his discharge from the hospital at Milwaukie, Ore. He will report back to the hospital in October for a check-up. He is reported to be much improved in health.

Returns To San Francisco — Miss Betty Crocker has returned to her work as secretary to Mel Ventor, who MCs the Breakfast Gang radio program, following her vacation in Roseburg visiting her mother, Mrs. Peyton Oederkirk, on Glen Street.

Azalea Grangers To Repair Roof

By ILA QUIRKE

Repair of the Grange building roof was set for the near future at the Azalea Grange's regular meeting Friday night.

Master Jim Croff asked all the members to his home for a picnic supper Friday evening.

Burial services were held Aug. 4 in Canyonville for J. G. Hartle, Azalea.

A resident of Azalea for several years, Hartle owned the Hartle Garage and service station on the old highway 99.

Attending the Gladioli Festival at Grants Pass last week from Azalea were Mr. and Mrs. Moul-

Tues., Aug. 12, 1952—The News-Review, Roseburg, Ore., 5

KRNR

This column suggests that all the folks in this area make it a special point to attend at least one of the days of the annual Douglas County Fair, August 14, 15 and 16... Thursday, Friday, and Saturday. Your attendance is vitally important to this annual affair.

Mutual-Don Lee's microphones and special events men will be at Chicago's Soldiers Field on Friday, Aug. 15, for the broadcast of the 19th annual All-Star Football Game. MDL airs the game, 7:00 p.m. to conclusion, exclusively on radio.

Acc sports casters Al Helfer and Jack Drees have been chosen to report the play-by-play action and color description of the charity grid classic.

Al Helfer is one of radio's top sports reporters with such outstanding credits as the broadcasting of MDL's "game of the Day," the World's Series broadcasts, Rose Bowl game and traditional Notre Dame and Army - Navy games.

Jack Drees, popular Midway sports caster and color specialist, has been Helfer's partner for the presentation of previous All-Star Games.

This year's All-Star game broadcast will mark the eighth consecutive year that the charity game has been aired on MDL.

The vice presidential candidate of the Prohibition Party, Dr. E. A. Holtwick, is heard in a special broadcast on Tuesday, August 12, from 10:30 - 10:45 p.m., on Mutual-Don Lee.

Hvasta Escaped Czech Prison, Refugee Claims

MUNICH, Germany (AP) — A Czech refugee said Monday John Hvasta escaped with him and four other prisoners last Jan. 2 from a Czech prison where Hvasta, an American, was serving a 10-year sentence as a spy.

The refugee's story supported an official Czech announcement of Aug. 9 that Hvasta escaped Jan. 2 and that his whereabouts since are unknown.

The story of the escape was told in an interview by Jaroslav Burec, 30.

Burec said "four prominent political prisoners" fled at the same time as himself and Hvasta, but he did not name them.

He identified the prison as one at Leopoldov, 30 miles northeast of Bratislava, where only prominent prisoners are those considered especially dangerous.

The six fugitives slipped out unnoticed by guards, late in the afternoon. They parted into two groups of three at a river two miles away.

Hvasta went one way, while Burec went another. They planned to meet again, but never were able to locate each other thereafter.

Burec expressed confidence, however, that Hvasta has not been shot or recaptured and said he probably was hiding in some small village.

Burec succeeded in making his way across the heavily guarded Czech border into West Germany.

Hvasta, 25, of Hillsdale, N. J., was arrested by Czech secret police in October, 1948, and the following May was sentenced to three years in prison on charges of espionage.

After an appeal, a second trial in April, 1950, increased Hvasta's sentence to 10 years.

U. S. officials have steadfastly rejected the Czech spy charges as unfounded.

Hvasta was born in Czechoslovakia, and returned there as a student in 1948, about the time the Communists seized control of the Czech government.

He worked for a short period in the U. S. consulate at Bratislava.

Heard about "RPM"?..Users say it doubles engine life

LUMBERMAN REPORTS "half the wear in nearly twice the mileage"

Most of us measure engine wear by figuring the miles since the last overhaul—but a mechanic figures it with a micrometer. A mechanic at Timber Products Co., Medford, Ore., checked the wear records of four engines. Three averaged .018" wear in 75,000 miles. The fourth, using Heavy Duty "RPM," showed only half the wear in 130,000 miles—nearly twice the mileage. Timber Products Co. says, "RPM" cut wear to the point where it more than doubled engine life." Reduce your repair bills! Change to Heavy Duty "RPM."
