

Stranahan, Ward Favored In Golf Tourney

SEATTLE, (AP) — The double squeeze hits the field in the Men's National Amateur Golf championship Wednesday but such standout challengers as Frank Stranahan, Harvie Ward, Jr., and Charlie Coe are expected to survive the crush. Sixty-four players were in the field for the day's double round.

By nightfall at the Seattle Country Club, they will have whittled each other down to a select 16.

Stranahan, Toledo's two-time British amateur winner, who got

past a tough one when he beat Chuck Kocsis, Royal Oak, Mich., Tuesday, 3 and 2, faced Del Walker of Long Beach, runner-up for the Southern California title last year.

Ward, the Tarheel from Tarboro, N. C., and the reigning British amateur champion, teed off against a Seattle golfer, Ery Parent. He beat Tim Holland, New York, 4 and 3 Tuesday.

Coe, the 1949 U. S. champion, from Oklahoma City, met attorney-golfer John Levinson of Niles,

Mich. Coe belted out a fellow townsman, Russell Brown, 5 and 4.

Two major upsets were registered late Tuesday.

The first came when Robert W. Kuntz of Larchmont, N. Y., former Yale captain and U.S. Marine, eliminated Joe Gagliardi of Marquette, N. Y., runner-up for the crown at Bethlehem, Pa., last year. Kuntz won, one up.

The second came when Billy Jo Patton of Morganton, N. C., ended the one-day joy of 18-year-old Ira Gruber, Duke University star from Puttstown, Pa. Gruber made the headlines in the first round when he defeated the defending champion, another Billy Jo, last named Maxwell, on the 21st hole.

Lobos Paint Walls To Boost Football Morale

ALBUQUERQUE (AP) — New Mexico University will try a little wall-painting psychology to see if it helps win home football games this fall. The Lobos won four and lost 7 last season.

When the grid dressing rooms were overhauled recently, a member of the Buildings and Grounds Department recalled a study of psychological reactions of humans to colors.

This year, the Lobos dress in a room trimmed in bright red. That's supposed to be an exciting color. Their opponents will dress in a room decorated in quiet pastels, aimed to dampen their spirits.

Grueling Stock-Car Competition Proves

HUDSON

BEST BY FAR!

AS YOU KNOW, it is impossible for a prospective buyer to accurately judge the relative merits of various cars through a casual examination or on the basis of claims.

Therefore, smart buyers are taking advantage of the record established in stock-car racing which affords an impartial test of the important features of competitive makes—features which largely determine owner satisfaction. In this rough, tough competition between cars just like you can buy from dealers, every make of car is compared for power, durability and safety—vital qualities in your daily driving.

With 30 victories in 34 starts already this year, Hudson proves it has these great qualities in measures no other car can match!

Hudson's rugged high-compression engines are famous for terrific power and performance. But more important, only Hudson has "step-down" design with America's lowest center of gravity. A Hudson hugs the road like it loves it and almost steers itself. Monobolt body-and-frame* is the most durable, safest known!

Visit us and try a Hudson, or if more convenient, phone and a Hudson will come to your door.
