Engineers Survey Umpqua Falls For New Fishways

Steamboat and South Umpqua Falls on the Umpqua River system are being surveyed by game commission engineers for fishways that would open upstream spawning areas to salmon and steelhead.

Regional Game Supervisor Jim Vaughn of Roseburg describes Steamboat Creek, tributary to the North Umpqua River, as a major spawning stream for steelhead. Steamboat Falls, located six miles above the mouth of the creek, bars fish passage to scores of tributary streams in all but high water stages.

Fish passage facilities at South Umpqua Falls on the South Umpqua River would assist spring Chinook salmon which concentrate below the falls.

Both falls were recently inspected by representatives of the game commission and U. S. fish and wildlife service and Game Commission. Engineer George Kernan is now conducting the survey work.

If approved by the game commission, the fish passage facilities would be built with federal aid funds derived from the fishing tackle excise tax.

Drummers, Majorettes To Meet Friday Night

The drum section and majorettes of the Roseburg High School Band are to meet Friday at 7:30 p.m. for rehearsal, in preparation for the Centennial parade Aug. 30. They will meet in the Senior High band room.

Rehearsal for the entire band is scheduled for 7:30 p.m. Monday, and again Wednesday and Thursday evenings at the same hour, announces Ed Stiles, director.

Rehearsals will consist of drilling, special music, marching line-up and drill, and the issuing of uniforms.

Minister In Fatal Accident Preached Here

Rev. Archie McNeill, who was killed in an automobile accident Aug. 5 at the junction between Cannon Beach and Seaside, was a Presbyterian minister and conducted evangelistic meetings in Roseburg several years ago on two occasions according to Dr. Morris H. Roach.

The Rev. Mr. McNeill, who was 46, had lived in Cannon Beach the last five years, where he has been owner and director of the Cannons Beach Bible Conference. He had also conducted services in Glendale in the past.

He was the son of a well-known Scottish preacher. His mother still resides in England. His widow, Evangeline, and children, Isabel, 14, and Helen Jean, 4, survive.

Vets Hospital Picnic Scheduled For Sunday

All employees of the Veterans Hospital and their families are to have a potluck picnic at Umpqua Park on Sunday afternoon, Aug. 24. The picnic is being spdnsored by the Employees Association of the hospital.

Entertainment will consist of a variety of games, as well as a songfest and jam session, according to Austin Welt, president of the association. All musicians are urged to bring their instruments and participate in this informal program.

The affair will be potluck, but ice cream and beverages will be supplied by the Employees Association. The barbecue pit has been reserved for the employees' families and friends. The fun is scheduled to begin at two o'clock.

Bible Institute Quartet Slated

A service of special interest will be held Aug. 26th at 7:30 p.m. at the Glide Baptist Church of which Rev. K. H. Faulkner is pastor.

The Ambassador Male quintet from the Bible Institute of Los Angeles will bring a concert of song and testimony. These five young men, students at Biola preparing for a life of full time service as ministers and missionaries are: Dick Shook, Turlock; Lowell Brown, Paradise; Jerry Eakin, pianist, Long Beach, Calif.; Tom Deal, Phoenix, Ariz., and Owen Widman, Sedro Woolley, Wash.

Their service will consist of a variety of musical numbers including solos, duets, quartets, and brass trio numbers, as well as personal testimonies.

These young men are heard over the Bible Institute Hour three times a week, a broadcast originating in the Bible Institute of Los Angeles and heard over the full facilities of the Don Lee Mutual Network. The public is invited to hear this program.

Sutherlin School Plans To Be Based On Enrollment

Because of the reported large influx of families in Sutherlin, it has been decided by the school administration to have an early enrollment of all grade school children to determine whether it will be necessary to provide more school facilities.

Supt. William Riddlebarger reports that, beginning Monday, Aug. 25, 9 a.m. to 5 p.m. (standard time), in the elementary building, grades two, three and eight will be enrolled.

On Tuesday, Aug. 26, from 9 a.m. to 5 p.m., grades four, five, six and seven will enroll. Students of any grades for whom it is impossible to enroll in the daytime will enroll from 7 to 9 p.m. Tuesday evening. All time is standard.

Parents are urged to see to it that each of their children of school age will enroll, as it is necessary to determine the exact enrollment. Rooms have been prepared on the basis of enrollment indicated by last year's class roll and the school census.

If the enrollment reveals a large increase in the school attendance, there will be time to arrange for rooms before the opening of school Sept. 3.

Cooperation of all parents is solicited and will be appreciated, said Riddlebarger.

U.S. Guards With Margaret Not Rough On Swedes

WASHINGTON (AP) — The White House said Wednesday preliminary reports to it indicate "there is not one word of truth" in Swedish newspaper stories that Margaret Truman's bodyguards roughed up Swedish citizens.

Presidential Secretary Joseph Short told a news conference that both the State and Treasury Departments are looking into the matter.

He said their first reports indicated that "nobody was touched, threatened, or anything else."

He added:

"Our preliminary reports indicate there is not one word of truth in any of the stories alleged to have been published in the Swedish newspapers. We, of course, haven't seen the Swedish newspapers, but wire service reports."

The treasury made a check because the guards with the President's daughter on her European trip are Secret Service men.

Miss Truman arrived in Sweden last Sunday and left Wednesday for Finland.

During her stay, Swedish newspapers reported that the three Secret Service men with her were armed and were pushing Swedish citizens around in bullying fashion.

Teen-Age Girl Death Victim From Beating

PALM SPRINGS, Calif. (AP) —The battered body of a teen-age girl, clad only in a plaid blouse, was found Wednesday on a highway near this desert resort.

A few hours later she was identified as Cathryn Knodel, 16, of Redlands.

Her mother, Mrs. Erwin Knodel, viewed the girl's body in a morgue and screamed: "That's her, that's her."

The girl's parents said they returned home Tuesday night and found a note saying that she had gone out.

Her father said he presumed she had gone to a musical program at Redlands Bowl.

Brown-haired, slender and attractive, the girl was found in a pool of blood at the edge of a road near Thousand Palms, about a half-mile from heavily-traveled U.S. Highways 60, 70 and 99.

Police Chief August Kettmann of Palm Springs said sand and brush in the girl's hair indicated her body was dragged. He said her death apparently was caused by the beating.
