Classes At Reedsport High School Will Start Sept. 2

By DAWN PESEAU With registration scheduled for completion during the previous week, classes at Reedsport Union High School, district No. 13, will begin Tuesday, September 2. Registration of freshmen is slated for Tuesday, August 26, 9 a. m. to 4 p. m.; sophomores and juniors, Wednesday, August 27; and seniors Thursday, August 28. Parents of students are welcomed to consult with administration and faculty members in the selection of subjects and orientation of the student's course, according to members of the school board and school principal, Jack C. Flug. Reedsport High School opens the 1952-53 school year with few changes in the faculty, but some changes significant in their indication of an expanded curriculum. The beginning of a foreign language department is a significant addition, with Spanish being taught by Marilyn Beckham, who will also continue to serve as librarian. Clara Borrevik will head the commercial department, which has increased shorthand courses. The science department, expanded by the addition of a physics course, is headed by Herman Bluth. Duane Fiskum, assistant principal, will head the math department, and Pauline Dickson will head the English department. Mrs. Dickson will also teach, besides English 3 and 4, journalism, and act as faculty advisor to school publications. Drivers' Training Home economics will be taught by Mary Pyritz, who will also teach boys' cooking and English 1. Robert Harrison, assistant athletics coach, will teach general science and other subjects. Eleanor Mathews will teach art and arts and crafts, and math. The industrial arts department, under the direction of Omar McCaleb, is housed in a separate, extensive building. Emphasis will be on the encouragement of individual skills and manual competence, rather than on vocational objectives. Leslie Aldrich will teach American government and auto mechanics, and Norman Olson, basketball coach, will teach the newly instituted course of drivers' training. He will also teach book-keeping and commercial law. Jean McNett will teach English 1 and 2. A public school music program, in which musical education in Reedsport High School, Reedsport grade school, district 105 C, and Gardiner W. F. Jewett Grade School, district No. 9 will be co-

Birth Date Of Pupils Issue At Camas Valley

By JEAN YODER Camas Valley's school board decided Thursday night to schedule a special election to let the voters decide on the deadline for birthdays of children due to begin school. It was decided to hold the election soon to determine if the birthday date should be extended from Nov. 15 to Dec. 31 for children about to start classes. Ted Hielman and Bruce Priest presented the problem to the school board at its meeting in the schoolhouse. Board members pointed out that if the date was changed "it will be permanent." They will base their action on the vote of the people. Date of the election will be announced later. New additions to the Camas Valley School and the remodeling job will be completed and approved when the paint job is finished on Saturday, the board decided after a discussion with John Todd, general contractor, and the architect, L. W. Metzger.

Greek Try Seventeen On Sabotage Charge

ATHENS, Greece (AP)—Seventeen persons—including 11 Greek Air Force officers—went on trial before a Greek court martial Friday charged with spying and sabotage. All pleaded innocent. The 17 were rounded up last spring after a non-commissioned officer was caught tampering with a fighter plane. He reportedly turned in the others.
