The Gold-Rush may well be over, but it was insignificant compared to the way the cow-pokes and pioneers are taking to the Save-gold rush at Miller's. For over half a century, we've been serving Oregon. And we decided that the people of Douglas County would rather see hundred year old PRICES than anything else. Yes, that's right! Prices so low that you'll just be sure the year is 1852 instead of 1952. Prices so low that Black Bart and Jesse James would stop robbing stage coaches just to get in on these bargains. Really do the Celebrations up brown by coming in to Miller's and selecting 1952 merchandise at 1852 prices. See you at the doors 9:30 Friday.
