By JEAN YODER

The buses will run and follow about the same route and time as last year, according to Mr. Yoder.

First grade mothers are asked to accompany their children to school the first day. Each child must have a birth certificate or other proof of age.

Faculty To Work Early
The faculty will report two days earlier, Tuesday, Sept. 2, at 9:30 a.m., PST.

High school students will register the afternoon of Wednesday, Sept. 3, in the new library. Books may be purchased at a reduced amount on this day.
Physical examinations will be

given Monday Sept. 8, starting at 8 a.m. PST with the first graders. Mothers are again asked to bring their children. Ninth graders will follow the first graders for their examinations.

Open House Scheduled

On Sept. 12, at 7:30 p.m. PST, a school "Open House" will be held so all those desiring may view the new building and speak with the teachers. Superintendent Yoder points out that all the teachers will be in their rooms and will be glad to explain new features of the building and speak with the parents. The P.T.A. plans to serve cookies and coffee.

Hot Lunches Coming

We hope to start the hot-lunch program on Sept. 15," said Mr. Yoder. Questionnaires will be sent out the first week of school to the parents to find out how many desire their children to participate in the hot lunch program. Plans are to serve an entire meal so the student does not have to carry a lunch. Until the lunch program starts children will need to bring their lunch.

A Teachers' Reception, sponsored by the Camas Valley Grange is being arranged for Sept. 5. Mrs. Margaret Crouch and Mrs. Brunette Wilson are in charge of arrangements for the annual social event. The purpose of the reception is to acquaint teachers and their families with the people of the community.
