

# OPEN HOUSE!

Tuesday, Oct. 7  
12 Noon to 8 P.M.

It is with a great deal of pleasure that we announce our Open House, the climax to an extensive remodeling program. From the complete new store front to the new painting and decorating scheme, every effort has been aimed at making the store lighter and brighter . . . a place where you will enjoy making your selection from leading lines of quality furniture or just "looking around". Plan now to visit our store during this Open House. We're looking forward to seeing you.
