Glide romped over an undermanned Crow football team Monday 63 to 25.

Dykstra opened the scoring for Glide with a 15-yard run and Ferguson converted to make the score 7 to 0 in the first two minutes of the first quarter. Garey Coats added another tally and Dykstra converted. Crow made its first tally late in the first quarter.

In the second quarter Coats and Dykstra added two more TDs while Crow powered across six more points. With seconds remaining in the first half, Halfback Skip Mullins took Crow's kick off and twisted 65 yards to make a final first half score.

Crow opened the second half with a touchdown on five straight pass plays, but Glide came back with a steady, Henry Hurlbut and Coats scoring, and Ferguson a conversion.

Glide put its reserves in the last period, and Crow pushed across a fourth TD, but Hurlbut made two final touchdowns.

## Three More Up For All-America

DENVER (AP)—The nation's leading punter, a topflight passer and three linemen who played key roles in their teams' victories Saturday were nominated Tuesday as candidates for the Associated Press All America football team.

The nominees are Zack Jordan, Colorado University's triphit back; Don Rydaleh, Utah University's passing quarterback ace; Don Branby, Colorado's standout defensive end; Don Papi, guard mainstay in the New Mexico line, and Bob Blasi, tireless offensive and defensive lineman for Colorado A&M.

The nominations were made by the Rocky Mountain Regional All America board. The nominations will be considered in the final selection of the AP All America.

Don Burroughs, Colorado A&M quarterback nominated a week ago received another vote of endorsement from the board.

**WHOOOPS**—Who has the ball? Coach Bill Reder's Indians try a bit of dazzling deception during practice, but were a bit dazzled themselves by a slippery pigskin (arrow). Indians are preparing this week for a tough tilt Friday against the North Bend Bulldogs. (The District 5-A-1 game will be held at Finlay Field. (Staff picture).)

## Culver Scores Perfect 25 In Trapshoot

A perfect 25 was scored Sunday at the Roseburg Rod and Gun Club trapshoot by J. Culver, while six others made scores of 24.

They are Enos Handy, Wes Topping, D. Bubar, H. Shirlcliff, G. Voytilla and Stan Short. Scores of 23 were made by H. Hannon, Lee Miller, Carl Beach, Roy Medley and L. Fugate.

K. Gilkeson was tops in the handicap with 24, while C. Christensen, D. Bubar and W. Topping scored 23 and L. Fugate and Chub Handy made 22s.

In the doubles, Culver scored 23, F. Solomon 22, and K. Gilkeson 21.

The Rod and Gun Club event next Sunday will be the President's Trophy Shoot. Members expect to have one more electric trap installed by then, which will give the club two electric and two manually operated traps.

## Angry Jersey Club Asks Ouster Of Milk Board

PORTLAND (AP)—Directors of the Oregon Jersey Cattle Club, angered at what they said was discrimination by the milk control board against the Jersey breed, Monday urged all club members to vote to abolish the present state milk control administration.

In a letter to members, the club's officers said that by limiting the butterfat content of milk, the board had hurt the Jersey industry.

The letter urged support of the Affiliated Milk Committee's initiative measure which will appear on the Nov. 4 election ballot. The measure calls, among other things, for abolishment of the milk control board.

## Bulldogs Invade Roseburg Friday

The tough North Bend Bulldogs will invade Roseburg Friday for a District 5-A-1 tilt in what will be the Indians' last home game of the season.

The Bulldogs, who scored one of the major upsets of the season in defeating defending state champions Grants Pass 20-6, boast a line averaging 260½ pounds, and another major asset in the services of star Fullback Jim Shanley.

North Bend stands third on the District 5-A-1 ladder with a win and a loss. The Bulldogs lambasted Cottage Grove, 54-14, and took it on the chin when Springfield turned the tables, 38-12.

The North Bend squad has also won from Coquille, 26-13, a team which Roseburg squeaked by in a 27-26 score.

The Indians are at the bottom of the 5-A-1 totem pole with three district losses, the most recent being the 20-19 loss to Cottage Grove last Friday night.

In other games in the county, undefeated Drain hosts the Glendale squad in a District 4-B game Friday. The Warriors are undefeated so far this season, but Pleasant Hill fought them to a 13-13 standstill Friday. Glendale, playing 11-man football for the

## Gridder Admits Outside Aid

LOUISVILLE, Ky. (AP)—Harold "Bunky" Gruner said here Friday night he received outside financial aid while attending the University of Kentucky, but it was given to him without the knowledge of the university.

Gruner, graduate of Louisville Manual High School, where he starred in football, was dismissed from the Kentucky football squad Wednesday for what was described as insubordination.

He told an Associated Press reporter of his outside financial aid while visiting with his father, William R. Gruner.

Some of the money he received over and above his scholarship came from friends and well-wishers, Gruner said. He added that he did not know whether the donors were alumni of the university. He said he also had received financial assistance from his family.

Gruner emphasized that the university officials had no knowledge of his receiving outside financial aid.

Explaining his dismissal from the football squad, Gruner said it resulted from an injury to his left thigh which had not responded to treatment.

"During practice Tuesday, Backfield Coach Eral Allen told me to do some blocking," he said. "I told him I couldn't practice blocking because of my injured leg. He told me I would either block or get off the squad. I couldn't block, so there was nothing left to do but be dismissed from the squad."

## Three Injured Webfoots Miss Scrimmage Monday

EUGENE, Ore. (AP)—Three Oregon football players injured against Washington at Seattle last week missed scrimmage Monday but Coach Len Casanova said they probably will be ready for Saturday's game here with the Montana Grizzlies.

Ends Monte Brethauer and Emery Barnes and halfback Ted Anderson were on the sidelines as the Ducks started drilling for the Montana contest.

## F & W, Masters Retain City Bowling Leads

first time this year, is still looking for a victory.

Sutherland tangles with Myrtle Point Saturday on the home field and the Bulldogs hope to rack up their third straight victory, having topped both Creswell and Oakland in their last two games. Myrtle Point's only win of the season was Saturday's victory over Myrtle Creek.

And speaking of Myrtle Creek, the Vikings tangle with Bandon in a non-league tilt Friday, at Bandon. Bandon's only loss in six games this season has been to Drain while the Vikings have been beaten five times in a row.

**Glide in Elkton**

In six-man football, Glide plays at Elkton, Days Creek at Camas Valley, and Canyonville at Riddle.

Powerful Glide has been rolling over opponents right and left and is presently in a tie with Yoncalla for second place in the Six Man League. However, Elkton may prove a tough opponent, having three league wins and no losses. Glide has won three, lost one.

Canyonville stands fourth on the league ladder with two wins and two losses, while Riddle is located a notch below with a win and two losses. The most recent defeat was at the hands of league-leading Elkton in a makeup game Monday.

The Days Creek-Camas Valley encounter will determine which team is relegated to the league cellar. The two teams are tied for that questionable honor, each having lost three without a victory.

## Steve Owen's Sports Book Worth Reading

NEW YORK (AP)—Large Steve Owen, the old Oklahoma boy who coaches the New York Giants, has authored a book called "My Kind of Football" and it comes very close to being the most consistently entertaining piece of sports literature ever turned out by a story teller and his official grammarian, in this case Joe Kings.

We happen to belong to a school which seriously feels that sports books, like comics, have become somewhat too numerous in recent years. It would take up all a man's time to review them. But this one is good, worth spending money for.

Owen has been in football practically forever, the past 27 years as coach of the Giants. He is recognized as a master of the profession, in a tight little group composed of him and Paul Brown of Cleveland. He is a big man and a big eater who always has enjoyed life, and for every football anecdote you might have heard, Steve knows a dozen. Most of them are in his book.

When Robin Roberts of the Phillies gained his 20th win on Aug. 19 he became the first Phillie pitcher to hit the 20 mark for three consecutive seasons since Grover Cleveland Alexander.

## Cal, USC To Vie For Rose Bowl Spot In Coming Tilt

SAN FRANCISCO (AP)—Two undefeated football giants, California's powerhouse and USC's ace defenders, collide Saturday in a game that goes a long way toward deciding the Pacific Coast representative in the Rose Bowl.

California, its high-scoring offense led by torpedo-like John Olszewski, is No. 4 in the Associated Press poll of the nation's top teams.

USC, No. 7, is on of the top defensive teams in the nation.

"We have a chance to win but everything has to break right for us," California Coach Lynn Waldorf told the Northern California football writers Monday.

"If we are to be in the game we have to improve 100 per cent,"

added Waldorf who, for the first time this season, has real reason to worry.

Jess Hill, coach of the host Trojans, said in Los Angeles: "We'll be ready for 'em."

Coach Chuck Taylor, whose Stanford Indians meet fired-up Washington Saturday at Palo Alto, told the sports writers he'll concentrate on stopping the Huskies' Don Heinrich, a rifle-armed quarterback.

Taylor said because of injuries to defensive linemen Chuck Essegian and Ron Eddie the Stanford defenses will have to be shaken up. Essegian has been the INDIAN defensive mainstay.

Of Stanford's 24-14 loss to UCLA, Taylor said it was simply a case of "too much Paul Cameron." Cameron flipped three touchdown passes in two quarters, ten retired.

Santa Clara meets Idaho in San Francisco Saturday and Bronco Coach Dick Gallagher said "It should be a dilly. Idaho is sound and well-balanced on both offense and defense."

College of Idaho dumped the 1951 co-champion, Lewis and Clark, while Pacific was shading Willamette Saturday night, and the winners kept pace with Linfield in the Northwest Conference football race.

Quarterback Boyd Crawford's deadly passing enabled the Idahoans to score an impressive 20-13 victory over the Pioneers.

Pacific, the other 1951 co-champion, had a tougher time with the freshmen-laden but promising Willamette team, squeaking through by a 27-26 margin.

Idaho's victory makes its game with Linfield at McMinnville the feature on next Saturday's conference schedule. Willamette meets Lewis and Clark at Portland in the only other game.

Pacific goes out of the conference next Saturday to play Pacific Lutheran at Tacoma.

From 1932 through 1941, Charley (Red) Ruffing of the Yankees compiled a perfect pitching record in opening games of the World Series. He won five.

## Elkton Knocks Riddle, 44-12, In Six-Man

Elkton strengthened its Douglas County Six-Man League lead Monday afternoon by turning back the invading Riddle squad, 44-12.

The Elkton six-man team in a makeup game with Riddle, was paced by Dave Scott, who made four tallies, two in the first quarter and two more in the second. John Beckley accounted for Elkton's third first period by catching Pete Inman's 30-yard pass and racing into the end zone with it.

Riddle scored once in the second quarter when Hal Hammersley raced 20 yards into pay dirt, and again in the final period on a 24-yard pass from Ray Rhodes to Irwin Hauron.

Ronnie Henderer made the final Elkton score in the fourth quarter when he raced 60 yards to the end zone. He also made four of his six kicks for conversions good.

Scoring:

## Idaho Vandals Drilling For Santa Clara Game

MOSCOW, Idaho (AP)—The Idaho Vandals scrimmaged under arc lights Monday night drilling for their Friday night non-conference football meeting with Santa Clara — expected to be their toughest game of the season.

The Vandals were warned scouting reports show the Broncos to be one of the best all-around teams they will meet this year.
