### 17-Man Hoop Squad Turns Out At Seattle U.

SEATTLE (AP) — Johnny and Eddie O'Brien, back for their last year of college basketball, headed the 17-man Seattle University squad which reported to Coach Al Brightman Monday.

Others suiting up for the first turnout of the Chieftains' ambitious 1952-1953 season included eight lettermen, a junior college transfer and members of last year's championship freshman team.

Most attention focussed on Johnny O'Brien who broke the national single-season scoring record last spring. This year he will be shooting at the all-time collegiate mark.

The Chieftains' rugged schedule includes games with Wyoming, New York University, Georgetown, and St. Joseph's of Philadelphia.

PULLMAN, Wash. (AP) — Three Washington State Cougars, injured in last week's intersectional grid clash with Ohio State, are expected to miss the Pacific Coast Conference game with Oregon State here next Saturday.

**Lauro Salas To Tangle With Tommy Collins**

BOSTON (AP) — Mexico's Lauro Salas—recently dethroned lightweight boxing champion—will tangle with hard-hitting Tommy Collins of Boston in a 10-round Nov. 17 in Boston Garden.

Salas lost the title back to Jimmy Carter of New York last week, while Collins again proved his punching prowess by knocking out British featherweight titlist Ronnie Clayton in five rounds at Boston.

Salas, a natural featherweight, has signed with the sponsoring Calahan A. C. to enter the ring at 128 pounds or lighter. The Mexican has been guaranteed \$10,000 or 27 per cent of the gate.

Collins has whipped such featherweights as Fabela Chavez, Willie Pep and Glen Flanagan in recent bouts.

## Sports AP Pollsters Rate Pirates Tops Again

By The Associated Press

The Marshfield Pirates, who have been scoring at the rate of nearly a point a minute, again are ranked as Oregon's top high school football team in this week's Associated Press poll.

The undefeated Pirates, after running their point total for six games to 258 with a 39-0 victory over Reedsport last week end, were the unanimous choice of sportswriters and sportscasters who vote in the poll.

The top four teams are the same as last week. Central Catholic of Portland, also unbeaten in six games, is No. 2. Right behind are once-beaten Klamath Falls and Grant of Portland. Grant, which dropped its first game of the season to Klamath Falls, has been undefeated since and hasn't allowed an opponent to score in its last four games.

## Most Ducks In 20 Years Head Here

NEW YORK (AP) — The greatest duck population in 20 years is headed south from the Canadian Prairies and soon will be trying to outwit U. S. hunters.

Bert Cartwright, Ducks Unlimited naturalist and botanist now in Canada, estimates that the duck population in Canada is twice that of last year and predicts U. S. hunters will have the most targets they have had in 20 years.

But he was quick to point out the factors which produced this big duck crop may not be repeated for another 20 years and "that our conservation efforts must be continued."

Cartwright said the fair weather in May and June on the Canadian breeding grounds was one of the main reasons for the huge supply. Another was the abnormally large brood count. In some cases, he said, duck experts saw families with as many as eight young.

Cartwright reported mass migration of ducks to the south started Wednesday. A young blizzard complete with high winds and falling temperatures, swept the prairie lands.

The hunting season already is on in the northern states of the Atlantic, Mississippi and Central flyways and in the State of Idaho, Wyoming, Nevada, Utah and Washington, which make up the Pacific Flyway with Idaho, opened their season Thursday.

On the coast the hunters may shoot six a day but are not permitted to possess more than six birds, unless two are either widgewings or pin-tails. Then he is permitted eight.

The widgewings and pin-tails have been raising western grain farms and thus have been made bonus birds.

## Yankees Are 'Rich' Men

NEW YORK (AP) — The old saying that a Yankee uniform changes a ball player is correct—it changes him from a poor man to a rich one.

Red Patterson, New York Yankee publicity director, turned out figures Monday to prove that playing for the Yankees was almost as good as owning an oil well.

The figures showed that since 1921, the Yanks' first pennant year, members of the Bombers have earned \$3,148 extra per season in World Series cuts.

During the 32-year span the Yanks have won 19 pennants, and 15 world championships and \$3,265,698 in series cuts.

In addition, the Yanks have finished second six times, third five times and fourth once to swell the gravy to a grand total of \$3,525,809. The only time the Yanks failed

to whack up additional \$88 was in 1925 when they limped home seventh.

Based on the usual 35-man split each year, the extra gold averaged \$3,148 per man.

## Japanese Royalty See First Boxing Bout

YAMAGATA, Japan (AP) — Emperor Hirohito and Empress Nagako witnessed their first boxing bouts Tuesday—and had a somewhat uneasy time.

Both appeared relieved when a towel was thrown into the ring by a nervous second whose fighter was being chased around the ring.
