Eisenhower's Ax To Fall Heavily On State Dept.

By JOHN M. HIGHTOWER

WASHINGTON (AP)—The State Department, target of Republican attack for six years, got ready today to face the inevitable—a Republican shakeup.

Probably no other agency in Washington outside the White House was so stunned by Gen. Dwight Eisenhower's election victory Tuesday night. Unquestionably it meant that heads will roll. Estimates of the number of high officials and diplomats who will get the ax range from around 40 to 100 or more.

That Secretary Dean Acheson is out, no one disputes. He has planned for months to return to his Washington law practice whether Eisenhower or Gov. Adlai Stevenson succeeded Truman. The top echelon under Acheson embraces upwards of 20 persons, including an under secretary, deputies, and assistant secretaries.

In addition there are men who have been closely identified with Acheson's policies, such as Philip Jessup, ambassador at large, and policy planning chief Paul Nitze, former Wall Street investment banker.

The big mystery in the department is what will happen to two career diplomats who have been repeatedly assailed by various Republicans in Congress including Sen. McCarthy of Wisconsin.

They are John Paton Davies, now attached to the U.S. diplomatic staff in Germany, and John Carter Vincent, diplomatic agent and minister in Tangier. Both men were identified with China policy prior to the loss of China to the Communists.

Glendale Suffers Under Deluge Of Spattered Halloween Paint

By MRS. GERALD B. FOX

Glendale was liberal in the "treats" for Halloween sprites last Friday night, but sometime between 3 and 4 a.m., "tricks" assumed a serious aspect with considerable damage being done to the property on or near Pacific Avenue, the main street of the city. It is reported that the damage was done after the city patrolman went off duty at about 1:30 a.m.

A nearly new Buick, belonging to Homer Tooley, was so badly doused with green and red paint that it will require a complete new paint job. In addition, an opened can of red paint was tossed through the bedroom window of the Floyd Johnson apartment, one of the units in the new Homer Tooley apartment house at the corner of Fifth and Pacific Avenue. Paint splattered on the floor, bedspread, and drapes, and broken glass from the window fell on the bed where the Johnsons were sleeping.

Hours for today are 4 to 8 p.m., while tomorrow the vehicle will be in Roseburg from 9 a.m. to 1 p.m. Mrs. Herman said no appointments are necessary.

Mercury is the only metal which is liquid even at quite low temperatures.

broken, and a number of new street signs recently furnished the city by the Business Professional Women was damaged. Early commuters next morning reported also that Pacific Avenue was littered with large rocks, trailers, and other things that were a definite hazard under the fog conditions which prevailed at that time. Another incident occurring during the evening, as reported by Vigor Lassen, owner of the slaughter house east of the city, was the removal of 14 chickens from the premises. Four of these were recovered in other parts of the city. The remainder have not been found.

Several complaints were turned in, by witnesses who were nervous about the safety of small children who turned out in droves for "trick or treat," that a number of automobiles were being driven in an erratic and careless manner during the evening, speeding and zig-zagging about the streets and across the ballfield.

Crowds of children in costume attended the pre-school party held at the IOOF hall in the afternoon, the grade school party at the school, and the high school party at the city auditorium. Prizes were given for best costumes.
