Battle Seen Between TV Pros, Cons

PHILADELPHIA (AP) — A long drawn out battle appeared certain today between the forces advocating controlled television of college sports and those pushing for a lifting of all regulations.

Spearheading the two groups are Robert Hall, Television Committee chairman for the National Collegiate Athletic Association, and Franzy Murray, University of Pennsylvania athletic director.

Hall, who is also Yale athletic director, and Murray laid their views on the line in an uncertain terms yesterday when they appeared on the National Broadcasting Company's radio and television program "American Forum of the Air."

The Hall-Murray debate yesterday came shortly after Murray had announced a new plan for controlling college football television.

Murray, a former Penn backfield star, offered a resolution for consideration by NCAA officials.

Under this plan, each college would be permitted to make its own television arrangements with opponents, turning over one-third of all TV receipts to a trust fund.

The fund, to be handled by three trustees "of outstanding stature," would be used (1) to make financial amends to any college with proof its football attendance had been affected by televised games and (2) to provide postgraduate scholarships for college football players otherwise unable to continue their studies after graduation.

Hall said that he feels "commercialization leads to professionalization and the incentive to buy a team."

2 Percent For TV

Pointing out that the NCAA is composed of 375 colleges and universities, Hall said that only 2 percent of those institutions are for unlimited college football television.

"The other 98 per cent," he said, "favors restricted television or no television at all."

Murray charged that the NCAA limited TV program is illegal and a violation of the Sherman-Clayton Antitrust Act. Hall replied that the U. S. attorney general's office had ruled in favor of limited broadcasting in a case involving professional baseball and that a football "test case" is still pending.

"When that is decided," Hall said, "we'll go down to Washington and sit down, and if we're out of line any place, we'll straighten it out."

NEW YORK (AP) — The seers were making hasty revisions in their football prognostications today after Saturday's tidal wave of upsets, and to say that they still are reeling from the reversals would be putting it mildly.

Conference championships, which should be about settled, still can go any way, and, more important, the sponsors of the big New Year's Day bowl games are gulping aspirin and hoping things follow the form that marked the first half of the season.

The demise of Oklahoma and Villanova, two of the rapidly diminishing list of unbeaten, were the big upsets. But Kansas, Penn State, Duke and Ohio State, all among the mighty of the land, fell. And Purdue and Mississippi didn't add any prestige to their records.

The Boilermakers could not more than tie Minnesota, 14-14, and Ole Miss squeaked through to a 6-0 decision over Houston.

Big 3 Held Up

Only the big three — Michigan State, Maryland and Georgia Tech — have been holding up. Maryland was idle Saturday, but the Spartans rolled over Indiana, 41-14, and the Engineers clubbed Army, 45-6.

This week, though, they all face tough assignments, possibly their most rugged of the campaign.

Biggie Munn's Staters must entertain Notre Dame, the team that polished off feared Oklahoma, 27-21, last week. That it is too much to expect the Irish to pull off two surprises in a row goes without saying, but this is a team that is capable of giving the country's No. 1 outfit an unpleasant afternoon if it is keyed up.

Maryland meets Mississippi in a battle of unbeaten. Mississippi has been tied twice and came mighty close in its triumph over Houston.

But this, too, is a "hungry" team meaning it is hoping for a bowl bid. Maryland, barred from a post-season game unless the Southern Conference approves, naturally will rule the heavy favorite.

For Ninth Straight

Georgia Tech, already tapped for the Sugar Bowl, will go for its ninth straight triumph when it tangles with Alabama at Atlanta.

The Crimson Tide has projected itself into a bowl possibility with its 7-1 record, and has been getting better as the season progresses.

On the Pacific Coast, where the Rose Bowl nomination stands as the lure of the winner, the big game is two weeks hence when

Southern California and UCLA meet — if Southern Cal gets by Washington this Saturday.

While everyone has been talking Southern Cal and UCLA, the Huskies have entered the picture and judging by their 22-7 triumph over California Saturday, they are to be looked upon with cautious eyes.

UCLA whipped them earlier, but they've been coming fast.

If, by chance, Washington does best Southern Cal and the Trojans rebound to beat UCLA, the conference title would end in a three-way tie, and a vote of the conference members would be taken to determine the winner.

Minnesota Hurts Purdue

Purdue's tie by Minnesota hurt the Boilermakers, who are hoping to win their first Big Ten title in many a moon, but it should not be a catastrophe.

However, Stu Holcomb's lads must go against Michigan this week. The Wolverines were the early favorites in the shifting Big Ten race until Purdue took over. This one will be a tossup and the result very possibly could settle the championships.

In the Southwest Conference, the choice still is Texas to act as host team in the Cotton Bowl, but the Longhorns have a toughie in Texas Christian this week. The big game in the Ivy League sends front-running Yale against Princeton, the defending champion, while in the Big Seven Oklahoma figures to get back in the winning column against Missouri.

Sports

Voytilla, Handy Show In Shoot

George Voytilla and Enos Handy were peerless shotgun slingers at the regular weekly practice shoot by Rod and Gun Club members at the Winchester Traps Sunday.

Both were tied for top guns in the 16-yard event and doubles, and Handy came in second in the handicap with a score of 23x25 at 22-yards.

Joining Voytilla and Handy with a perfect score in the 16-yard event was Ralph Shirliff. Other scorers were: Charles Klinger, Ivan Pickens and Dean Bubar with 24's; and Harry Hannon, Lee Miller and Ken Gilkeson with 23's.

In the handicap, Miller took top honors with a 24 score at 20 yards. In doubles, Handy and Voytilla each scored 21's, but Gilkeson was close behind with 20. Leonard Zacher was third with a 19.

Next week's session will be a ham and bacon shoot, and the following Sunday will be the pre-Thanksgiving shoot.

ITCH

(Paid Advertisement) Itch is highly contagious and will not stop for life if not treated. EXSORA kills the itch mite which is immune to ordinary treatment. Seconds Set Off Mat Riot

The story of seconds set the Roseburg Armory afire Saturday night.

It started when Mr. Sakata called his old partner, Toi Yamato, into the main event against "Judo Jack" Terry. Sakata named Yamato as his second, Terry didn't care for this action, so he brought Tony Ross in as his second. After a hectic two falls had been taken care of, the third fall ended with both seconds going hammer and tong. It was enough to set off one of the better riots in recent months at the Armory mat palace.

It's still hazy, but apparently "Judo Jack" was awarded the match. He took the second fall with judo chops and a body press. Mr. Sakata took the first fall with

the same series of tactics. In the semi-final, Yamato had his first fight and won it with one fall over Billy Sandow. Yamato's later main-event partner, Tony Ross, extended his win streak at the local Armory with his second victory. He dropped Art Kapitan with a back breaker.

NOTICE ODD FELLOWS

Regular Meeting
Thurs., Nov. 13 - 8 P.M.

Mr. Lynn Cram

Grand Master of
Oregon, will be present.
Please plan to attend.
