Individual Conscience Supplants Time Clocks

NIAGARA FALLS, N. Y. — "The individual's own conscience" has been substituted for time clocks at the Electro-Chemical Division of the E. I. DuPont de Nemours, Inc.

The division's 1,800 employees will file their own time slips at the end of each week.

In 1943 the Cincinnati Reds tried Robert (Buck) Fausett at third base and on the pitching mound. It was his only year in the majors.

meeting of the plant committee, composed of employee and management representatives.

He added, "It is the substitution of freedom of action and individualism in place of regimentation."

New Hope, Pastor Says

NEW YORK (AP) — Rep. Adam Clayton Powell Jr. (D-N.Y.) says "America has not made a single original contribution to civilization except the Negro spiritual and the atomic bomb."

Powell, who is pastor of the Abyssinian Baptist Church here, said in a sermon that the church is "the only hope for civilization."

The Negro Congressman said, "The trouble with America is that our values are not religious but nationalistic. Our slogan is not God's way but the American way."
