"DON'T YOU HAVE A MONEY BACK GUARANTEE OR SOMETHING?"

BEVERLY HILLS, Calif. (AP) — Publisher William Randolph Hearst Jr. and Capt. Horace Brown, husband of former actress Marion Davies, tangled in sidewalk fistfights outside a night club Tuesday night.

There apparently was little if any damage to either. No report was made to police.

Miss Davies, longtime friend of

Hearst's father, the late William Randolph Hearst, apparently had no part in the incident.

Brown, a former merchant marine captain, could not be reached for his version of the affair.

Hearst is president of the Los Angeles Herald and Express and publisher of the New York Journal American.

TIME'S UP

BLONDIE

EDMONTON (AP) — Economist Gilbert Jackson of Toronto said the U. S. standard of living may decline because of depleted natural resources.

Speaking to the Canadian Club here, Jackson said a combination of increasing population and consumption and decreasing raw materials create a strong possibility of a drop in the U. S. living standard.

He said the same situation could occur in Canada unless there is a "concerted effort" to conserve the country's resources.

American consumption of goods and services can be 40 per cent greater in the next 10 years, he said, and possibly five times greater by the end of the century.

"You can only produce a barrel of oil once, or a ton of coal once," he stated. "In 1965 the U. S. had scarcely scratched its own soil. Now its resources are drastically depleted."

"The American people are looking for alternative sources of supply, and you know which country lies closest to the United States."

At the rate the North American demand for Canadian products is growing, Jackson said the country could find itself in the same position as the United States.

WITH U. S. EIGHTH ARMY, Korea (AP) — The artificial kidney, a revolutionary medical device long in development, has saved the lives of many wounded Allied troops, the Eighth Army surgeon, Brig. Gen. L. Holmes Ginn, said Wednesday.

Medical authorities say the apparatus, which does the work of the human kidneys when wounds or illness prevent those organs from functioning properly, prevents the spread of deadly uremic poisoning.

Uremic poisoning results from the kidneys failure to discharge body wastes from the blood stream.

Treatment lasts approximately six hours. After that the patient's own kidneys are usually functioning properly. If not, the treatment is repeated.

PLEDGE FRATERNITY

I. Darrell Keeney and Durward L. Boyle, both of Roseburg, have been accepted as pledges by Sigma Alpha Sigma, speech fraternity at Southern Oregon College. They are among nine pledges to the organization, according to Ralph W. Wood, president. The club will sponsor the fourth annual high school speech conference at SOC Jan. 30-31.

Program To Be Held — A missionary program will be held at the Open Bible Church, 948 S. Jackson, at 7:45 p.m., Nov. 13. There will also be a play entitled "No Sweet Odor," by the Ladies Missionary Society. The public is invited to attend.

Bobcats are spotted at birth, but the spots tend to fade with age.

New Congress Expected To Make Alaska State

PORTLAND (AP) — Alaska probably will become the 49th state, getting approval from the new Congress, Ernest Gruening, governor of the territory, predicted here Tuesday.

He added he did not think the coming change in administrations would affect Alaska statehood. Leaders of both major parties have approved the statehood program, he said.
