UN COMMEMORATIVE—The stamp, above, to be issued on Human Rights Day, Dec. 10, commemorates the adoption in 1948 of the Universal Declaration of Human Rights, by the General Assembly of the United Nations. The design was executed by J. Wooty-Wimmer, of London, and the stamp will be issued in three-cent and five-cent denominations.

Birthday, Meeting-Date Book Planned For Dillard-Winston

By ROSA M. HEINBACH
 A combination birthday and meeting-date calendar is being compiled for the Dillard-Winston area.

All families wishing to enter names and birthdays may call Mrs. Virgil Post for full particulars as soon as possible. The calendars are to be published about the first of December.

The Women's Society of Christian Service of the Dillard Church is sponsoring the calendar.

Church Sets Potluck
 The Dillard Church is holding potluck dinner Sunday, Nov. 23. Families are requested to bring their own table service and a covered dish to the morning church worship. Dinner will be served immediately following at 1 p.m.

Mr. and Mrs. B. B. Harryman of Dillard and Mr. and Mrs. John Fleck of Roseburg travelled to Eastern Oregon the past weekend. They drove over the McKenzie Pass which, they reported, was beautiful, having about 10 inches of snow along side of the highway.

They were guests at the home of Mr. and Mrs. Carol Nash at Dayville, who operate a 1,200 acre stock ranch. The guests were enthused over seeing their host's registered Appaloosa horses and cattle. Harryman showed the Nash's moving pictures they took on their place while on a deer hunting trip.

They returned by way of the Willamette Pass.
Here From S. Dakota
 Mr. and Mrs. Melvin Tuchina and family, Norma, Nina and Reid of Bryant, S. D., have been visiting relatives in this community the past two weeks. They were guests of Mrs. Tuchina's brother-in-law and sister, Mr. and Mrs. Art Albertus, Mrs. Helen Barge of Wilbur, Mrs. Minnie Moon of Melrose, and a brother, Bert Schole. Enroute they visited a brother and family in Portland.

Gift Of \$30,000 Awaits War Hero And His Bride

SAN BERNARDINO, Calif. (AP)—It's not every young bride and groom who gets \$30,000 to start housekeeping on. But then, not every bridegroom is a Medal of Honor winner.

The fund has been pledged to San Bernardino's own hero, Army Lt. Joseph Charles Chuck Rodriguez, 24, and his sweetheart, Rose Aranda, 22, of Colton, Calif. They will be married Saturday, with a reception to follow in the high school cafeteria, the only place big enough to accommodate all the townsfolk who wish to come.

The couple will leave on a Mexican honeymoon arranged by Southern California Spanish language newspapers. In Mexico they will be entertained by President Miguel Aleman.

When they return home Dec. 17, a citizens' committee intends to hand them a check for \$30,000. The "House for Chuck" campaign will swing into high right after the wedding.

Rodriguez, now stationed at Norton Air Force Base here, won the Medal of Honor in Korea as a private first class. He was cited for "an incredible display of valor in charging up a hill to wipe out five enemy gun positions, killing 15 Communists with hand grenades."

INVENTOR DIES
 SEATTLE (AP)—Prof. Frederick K. Kirsten, 67, the University of Washington's widely-known inventor and aeronautical engineer, died Wednesday after a month's illness. He was perhaps best known for his revolutionary cyclodial ship's propeller and the air-foiled Kirsten pipe.

HEART-WARMING—Marjorie Jean thought you'd like to take your mind off the cold, drizzly days of late autumn and early winter, so she went down to the shore to pose for this picture. Marjorie isn't worried about winter—she's spending the frost-bite season at Miami Beach.

U. N., Not Ike, To Settle Korean War, Says Morse

PITTSBURGH (AP)—Sen. Wayne Morse of Oregon, commenting on President-elect Dwight D. Eisenhower's proposed inspection trip to Korea, says, "You're not going to settle that Korean War in Korea."

Morse made that comment in a speech last night to a Pittsburgh Israel bond drive dinner. He added:

"You're not going to perform any miracle by any visitation of anyone to Korea. You're going to settle the Korean War in the United Nations—nowhere else. And you're going to do it by negotiating, not with Soviet Russia, but with your allies, for unity."

Morse said a "military state of mind in this country has gone too far in the thinking that a third world war is inevitable." He declared:

"If you let the military group go unchecked, World War III will become inevitable."

The Oregon senator said America is losing friends because there's a "growing wave of economic isolation sweeping the country."

During the next few weeks,

LATE; SLUGGED
 AWATFORD, Eng. (AP)—Albert C. Southwood, 67, was fined five pounds (\$14) Thursday for slugging his wife just three months before their 50th wedding anniversary. Southwood told the judge the quarrel began when 70-year-old Emmie came home late from a saloon.

Morse said, he intends to "document sources of some of the war danger in high places."
