Tear Gas Routs Driver From His Locked Auto

MIAMI, Fla. (AP) — Howard A. Long, 34, wept when he received his second traffic ticket from Patrolman Larry Taylor in North Miami Beach yesterday — and with good reason.

Long refused to accept the ticket for reckless driving, Taylor said, and slugged him when he attempted to take the ignition key. Taylor radioed for help when Long rolled up the car windows and locked himself in. Police brought him out with a tear gas pellet dropped through an opening in the canvas top.

Long denied slugging Taylor but was booked on a charge of assault and battery and jailed in lieu of \$250 bond. Court of Crimes will hear the case Friday.

INFLATION FRAUD

CLEVELAND (AP) — A 11-year-old girl complained to police that the "Chihuahua" pup she paid \$30 for kept growing and growing until he became a terrier—or something. Karla Jean Emery told an officer her little Petro now is nine pounds over standard Chihuahua weight, and is still growing. The dog's former owner was summoned to appear in court next Monday.

Riddle School Christmas Party Slated; Honor Students Named

The annual Christmas program and party for the Riddle schools will be Thursday night, Dec. 18. Treats will be furnished by the Riddle Chamber of Commerce. The program committee includes Principal Al Barnhart, A. C. Brown, Mrs. Jeanette Reed, Mrs. Gertrude Pruitt and Mrs. Violet Van Hoose.

Meeting Scheduled

Douglas County Schoolmaster's Club will hold its January meeting at Drain on Jan. 12, according to Kenneth A. Stuart of Riddle, president of the newly formed organization. Teacher's credentials and certification will be the topics for discussion.

Sixty-three school men attended the November meeting at the Myrtle Creek cafeteria on Nov. 25. Paul Collins, research officer of the Oregon Education Association, was guest speaker. There will be no December meeting.

Architect Approves Unit

The Riddle School District received word on Saturday that the final inspection of the four-room unit on the grade school building

had been satisfactorily approved by L. E. McCoy, Vancouver architect. The inspection was made on Monday, Nov. 24, by McCoy, Gordon Todd, contractor; Kenneth A. Stuart, superintendent; L. A. Aikins, Earl Smith and Roscoe Ball, board members; Mrs. Don Clark, former board member; Rudy Paetz, Hap Worsham and Gid Aspy, building committee, and Mrs. Mildred Vaughn, clerk.

Following the inspection the board met and approved the work as being completed. Final payment of 10 per cent of the total cost is to be made by Dec. 31, 1952. Total cost of the four-room addition, now being used by the third and fourth grades, is \$47,372.79.

Students On Honor Roll

Three students, Kay Season, Connie Cyphert, and Joan Mitchell, headed the second six-weeks honor roll at Riddle High School with a straight one average according to Supt. Kenneth A. Stuart. Students receiving grades of two or better were Theo Mann, Sandra Renhard and Kay Season, seniors; Connie Cyphert and Neva Weather, juniors; Shirley Zimmerman, sophomore; and Jimmy Carhart, Joan Mitchell, Lequeta Nutt, Norman Raulston and David Wilson, freshmen.
