GOP Honeymoon End In 6 Months Predicted

WASHINGTON (AP) — Rep. Hale Boggs (D-La.) said today he expects the Republican "honeymoon" to last about six months or possibly through the first session of the next Congress.

By that time, he told a reporter the supporters of Sen. Taft (R-Ohio) in Congress probably will refuse to go along with some of President-elect Eisenhower's proposals.

"For a time — while patronage plums are being dangled in front of them—the Republicans in Congress probably will support Eisenhower," Boggs said. "But my guess is that the honeymoon will be over by the end of the first session."

ENJOY INEXPENSIVE PRIZE-WINNING ORANGE MARMALADE

It's Easy to Make Anytime with This Simple Recipe

6 Medium Sized Oranges
(2 lbs. sliced)
6 Cups Water
½ Cup M.C.P. Lemon Juice
(About 6 Lemons)
1 Package (3½-oz.) M.C.P. Jam and Jelly Pectin
9½ Level Cups Sugar
(Measured ready for use)

1. Cut oranges in cartwheels with very sharp knife to make slices thin as possible. Discard the large flat peel ends. Sliced fruit should weigh 2 pounds.
2. Put sliced fruit in 8-quart kettle. Add the water and lemon juice.
3. Bring to a quick boil, boil gently for 1 hour (uncovered). If peel is not tender in 1 hour, boil until tender.
4. Measure the cooked material. Due to boiling, the volume will be reduced. Add water to make total peel and juice *exactly* 7 level cups.
5. Put back in kettle. Stir in M.C.P. Pectin; continue stirring and bring to a full boil.
6. Add sugar (previously measured). Stir gently until it has reached a full rolling boil, and BOIL EXACTLY 4 MINUTES. Remove from fire; skim and stir by turns for 5 minutes.
7. Pour into jars. If you use pint or quart jars, seal hot and invert jars on lids until Marmalade begins to set. Then, shake well and set jars upright. This keeps the peel evenly distributed throughout.

This recipe works equally well with Navel Oranges or Valencias. When either variety is overripe and peel is soft, use ¾ cup lemon juice instead of ½ cup. Be sure to discard any seeds. (Cut out and keep this recipe.)

NOTE: Tasty homemade jellies and preserves make inexpensive but welcome gifts for any occasion. Make an *extra* batch for this purpose.

Pressure Groups Smearing Him, Morse Declares

ASHLAND (AP) — Sen. Wayne Morse described himself here Wednesday as a misunderstood idealist, "smeared by such pressure and selfish interest groups as the U. S. Chamber of Commerce and the National Association of Manufacturers."

Morse, who bolted the Republican Party at the last election, addressed about 400 at Southern Oregon College on his speaking tour of the state.

He complimented the work of Charles A. Sprague, Salem publisher and alternate delegate to the United Nations, and predicted a century of economic revolution.

"It is up to us to carry our form of economic capitalism to all the backward areas of the world," he said.

Morse said that World War III was not inevitable, but that "we can't win the peace with a war. We have got into a hysterical point of view and have allowed Soviet Russia to steal the peace issue with its phony peace proposals," he added.

Four Arrested On Terror Reign Perjury Charge

WASHINGTON (AP) — Four residents of Miami, Fla., were arrested Wednesday and charged with perjury in connection with last winter's reign of terror against religious and racial groups in the Miami area.

Indicted by a federal grand jury in Miami were Mrs. Helen Russell, socially prominent civic leader, and three alleged members of the Ku Klux Klan.

Atty.-Gen. McGranery announced the indictments. He said they were returned by the grand jury after he had directed it to get to the bottom of the "outrages."

The attorney general said the grand jury probe will continue, indicating other indictments may be expected.

Named with Mrs. Russell were William Glenn Orwick, Arthur Freeze Udgreen and Harvey George Derosier, all living in the Miami area during the period last year when synagogues, Roman Catholic churches and Negro housing projects were dynamited.

One such dynamiting resulted in the death of Harry T. Moore, Negro leader.

Fiery crosses—the sign of the Klan—were raised on many lawns in the Miami area and elsewhere in the south in the outbreaks nearly a year ago.

McGranery said Mrs. Russell, a vice president of the Edison Center Civic Association in Miami, was active in organizing mass meetings and motorcades to protest the change-over of Carver Village in Miami—one of the targets of bombing attacks—from a white to a Negro housing development.

The indictments charge Mrs. Russell and the three men with making false statements and swearing untruthfully in testimony before the grand jury.

Russian Invents Camera Marvel

LONDON (AP) — A Russian has invented a camera which can take 12 photographs inside the stomach all at once, Moscow radio said Wednesday.

The broadcast said D. D. Maksutov had designed "in essence, not one but a dozen minute cameras squeezed together around a small electric bulb with a wolfram filament." Moscow said this is how it works:

"The cameras are lowered into the stomach with the aid of the usual rubber tube. Air is introduced which expands the stomach, and the correct situation of the cameras is checked by x-ray apparatus.

The wolfram filament is ignited by electricity and in the blinding flash lasting the 100th part of a second, 12 pictures covering every part of the stomach are taken simultaneously."

Surgeons have praised the invention as a valuable aid, the broadcast said.

Deluded Woman Sues Dance Studio For Refund

PORTLAND (AP) — Mrs. Jennie B. Crawford Wednesday sued a dance studio to get her money back. She says she was told dancing lessons would help her get a good job—maybe even in a Hollywood movie studio, but she thinks now that wasn't so.

Mrs. Crawford is 73 years old.

Her suit in federal court asks that the Arthur Murray School of Dancing be required to return $525 she says she paid. She also asks that a contract calling for $400 more be cancelled and that she get $5,000 as punitive damages.

Mrs. Crawford said she lives on a $75 monthly payment from her dead son's GI insurance, plus a $60 monthly soldier dependency compensation.

The Brooklyn Dodgers were either in the lead or tied for the top spot in the National League all but 16 days of the 1952 season.
