Soviet Union's Policies Blasted

VIENNA (AP) — A British clergyman Thursday defied Communist domination of the World Peace Congress in Vienna and attacked the Soviet Union for several of its present-day internal world policies.

Canon C. F. Harman, a vicar of Swindon, Wiltshire, describing himself as a Christian pacifist, told the congress he wished to refer to several methods "causing great disquiet among a large section of public opinion in the West." He said they were:

1. "The cavalier dismissal of Mr. Vishinsky of the Indian proposals for a truce in Korea has caused bewilderment and a sense of hopelessness. Would it be possible for this congress to urge certain concessions on these crucial issues in order to bring this frightful war to an end?"
2. "The retention of German World War. This is not calculated to foster friendly relations between Germany and Russia."
3. "My Christian conception of the sacredness of human life revolts against the savage sentences imposed on political offenders in any country. A more peaceful approach to political and racial minorities would do much to allay bitterness and bring about reconciliation."

Canon Harman's attack on Soviet policies was the most bitter heard during the five-day congress. So far only three other persons among scores of speakers have in any way criticized Russian or Communist policy. Their criticism was mild in comparison with that of Harman.

Labor Boss Confesses Perjury, Gets Prison Rap

WASHINGTON (AP) — Edward J. Florio, a New Jersey waterfront labor boss pleaded guilty to a perjury charge and threw himself on the mercy of the court Friday while a jury was still deliberating his case.

U. S. District Judge Irving R. Kaufman of New York accepted Florio's plea and gave him an 18-month sentence.

He also placed Florio on probation for five years after he serves the 18-month sentence.

The perjury indictment accused Florio of lying to a grand jury during an investigation of waterfront racketeering.

RAISE FOR SANTA

SAN FRANCISCO (AP) — Santa Claus has won a \$25-a-week raise.

Ernie Fast, head of the AFL American Guild of Variety Artists in the San Francisco Bay Area, said the big, jovial men who play St. Nick for department store shoppers are getting \$100 for a five-day, 27½-hour week this season.

Many of the Santas are old vaudeville actors.
