Interior Sec. McKay To Travel East Jan. 2

SALEM (AP) — Secretary of the Interior-designate Douglas McKay plans to leave for Washington, D. C., by train on Jan. 2.

McKay, who quit as Oregon's governor last Wednesday, said, however, that if his work here isn't completed by that date, his departure might be delayed a day or two.

He already has his train reservations. McKay said he still is being flooded with advice about his appointees and department policy, and said again that he won't have any announcements until he arrives in Washington.

Man Without Country Remembered By Aussies

KURE, Japan (AP)—A group of Australian sergeants have sent two bottles of Christmas cheer—with aspirins attached—to Patrick Michael O'Brien, the man with a ferry but without a country.

O'Brien has been on the Hong Kong-Macao ferry for the past three months, shuttling back and forth between the British and Portuguese colonies because authorities will not give him a permit to land. His citizenship is in question.

Australian sergeants of the British Commonwealth base here got to talking about who should be remembered at Christmas time. O'Brien's name popped up.

The Aussies sent the parcel yesterday by plane, care of the ferry company.

It contained cigarettes, clothing, handkerchiefs and playing cards.

The last gift on the bottom of the parcel was a musical memento of the occasion—a recording of "Slow Boat to China."

Ex-Missioner Given 7 Years For Slaying

PORTLAND (AP) — James L. Yokum, 72, who once operated a religious mission, will go to the state prison on a seven-year term for manslaughter.

He was sentenced Tuesday for the shooting of Frank Wilson, Yokum's 52-year-old handyman. Yokum contended he shot in self defense after a quarrel with Wilson.
